WHEELER KILLED AT FARADAY BY SAW

TOP OF HEAD CUT OFF WHEN THROWN INTO MACHINE BY PIECE OF LOG

Kasper Wheeler was instantly killed Tuesday evening at the W. E. Gilbert mill at Faraday when he was thrown into a saw. The top of his head was cut off.

The accident happened about 9:30 in the evening. He was working on the night shift with several other men and had remarked just a short time before the accident that the place was too dangerous and that he was going to quit Saturday.

Witnesses said that he seemed to have been struck by a piece of wood and thrown near the saw and his hand was caught and it seemed that he was jerked into the machine from this contact with the saw. A doctor was called immediately but Wheeler died instantly.

He had resided in this community for a number of years, but very little is known of his family. A deputy sheriff from Oregon City went thru his effects at the house where he lived, but could find no address of relatives. It is said, however, that he has a sister living in Pennsylvania, one in Kansas, and a brother in Switzerland where Kasper was born. He was about 65 years old and came to this country many years ago.

L. A. Chapman, local mortician took charge of the body and the funeral commitment took place Thursday afternoon at 2 o'clock, at the I. O. O. F. cemetery, Estacada.

"THE OLD FRONTIER" PAGEANT TO BE GIVEN

"The Old Frontier," the great Oregon pageant play, is to be given again this year at Gladstone chautauqua park, July 24, 25 and 26. This fine historical event will be presented on the evening of these dates beginning at 8 o'clock and is under the auspices of all the community bodies of Oregon City and Gladstone. The park will be open at 4 p. m. and that will give an opportunity for cars to enter, take picnic dinner and be on hand for the play.

The story of McLoughlin and the many characters of those days is very definitely told in eight episodes along with the wonderful frontier music by a large chorus. Some 300 participants are enrolled this year, and that it will be an unusually attractive entertainment seems certain. The admission is but 50 cents and 25 cents for children.

Lawrence, Mrs. Mary Smith, W. H. Grabeel, Mrs. J. G. Hayman and others. Cooke's Garden Attractive Park On Main Street

From a city dump where all refuse was unloaded and one of the most unsightly places in the country to a very attractive park, is Bob Cooke's Garden, just north of the garage.

Along with the improvement of his property, Mr. Cooke planned a small park that could be used as picnic grounds for visitors to Estacada. When the city lost the park on the river, it left the town without a picnic site of any kind, and Mr. Cooke has endeavored to supply this want, on a small scale, and at the same time beautify his surroundings.

The fill on Main street left a very miserable looking hole north of the Cooke Garage. Mr. Cooke bought a few lots between his building and the Methodist church, and after the expenditure of quite a large sum has

made this old city dump into a very attractive place.

The brush, and rock were cleared away, paths built back on the hillside, flowers planted between the pathways, trees planted at different places and a row of cedar trees set out on the border. The level part has been seeded and made into a nice lawn.

The garage property has been remodeled and the painters are just finishing with their job now, and Bob Cooke has one of the finest and neatest appearing garages in the state, considering its size, and while it has cost a considerable sum to make all these improvements, Mr. Cooke feels that it has been money well spent.

FINED FOR ILLEGAL POSSESSION OF SALMON

J. B. Woodard and Charles Straight of Park Place were each fined \$50 in Justice S. E. Wooster's court here last week, on a charge of having salmon in their possession unlawfully. A large number of similar cases have been tried in Oregon City this year, without a single conviction, most cases having resulted in hung juries.

The convictions came as a part of a long war staged by the game commission against fish poachers in this county. Both Woodard and Straight are well known to game authorities and were captured on the Clackamas river near the river mill with salmon in their possession.

According to State Game Warden Clifford, deputies are removing barbed wire and hooks from the river so that no bathers or swimmers will be injured.

FROM THE GREAT OUT DOORS TO BROADWAY

Lois Wilson, beautiful star of "The Covered Wagon," "North of 36," and countless other outstanding screen successes, comes to the Liberty Theatre here Sunday and Monday as the featured player in the FBO production, "The Gingham Girl."

The picture affords her a part of particular appeal, and Miss Wilson, as the country girl who ventures simultaneously into love and business, will even strengthen her hold on the hearts of theatregoers.

In "The Gingham Girl" she is seen as Mary Thompson, a girl who starts her business career as a baker of cookies for the village store keeper and eventually goes to the city and becomes the active owner of a big cookie factory. And, as often happens, the course of true love persists in running very unevenly.

There is startling scenes of a "studio party" in Greenwich Village, with Mary unwittingly becoming the center of the evening's happenings, and there are other sequences laid in a lively New York cafe, with a "floor show" in full operation.

The exceptional cast surrounding Miss Wilson includes George K. Arthur, Hazel Keener, Jed Prouty, Dereluz Perzel, Jerry Miley and Betty Francisco. Direction of "The Gingham Girl" was in charge of David Kirkland.

Mr. and Mrs. C. W. Pogue of Yamhill, Oregon, are the parents of a 9½ pound girl born July 16. Mrs. Pogue was formerly Miss Mary Woodie of Estacada.

Mrs. Gladys Duus, accompanied by some friends, was here from Antelope, Oregon, last week gathering and canning berries. She visited at the home of Mr. and Mrs. J. C. Duus.

DAVIDSON'S EASY MARK FOR LEGIONNAIRES

ESTACADA WINS CONTEST BY 21 TO 4 SCORE IN LAST SUNDAY'S CONTEST

Estacada Legionnaires won from Davidson's Bakery here Sunday afternoon by a score of 21 to 4 in the second game of this series in the Portland Valley Baseball league.

Kenneth Scales of Sandy, pitching for the local team, allowed ten scattered hits in the game, and the Estacada team gathered 24 hits off Krieger, Ivison and Lehl pitching for the visitors.

The result of the contest was never in doubt after the first inning. Bill Fischer hit a home run in the first frame with two men on, and again in the third inning socked another over the center field fence for a circuit, with one on. Sid Miller hit out a home run in the eighth inning with two men on bases.

The Sellwood game for next Sunday, which was scheduled to be played at Sellwood, has been changed to Estacada, and the Legionnaires will entertain the Portland team on the local grounds Sunday afternoon starting at 2:30. This game will no doubt be a close contest, as the team from Sellwood has a victory over Davidson's by a wide margin, and lost to Hillsboro last Sunday by a score of 4 to 5.

In the second half of the schedule Oswego, Hillsboro and Washougal have each won two games, Estacada and Sellwood have each won and lost a game and Sherwood, Barracks and Davidson's have each lost the two games played.

Washougal won from Sherwood last Sunday by a score of 21 to 10 and Oswego and Vancouver Barracks played a 12 inning game with the Lake nine coming out on the long end of an 8-7 score.

Curley Duncan was in Estacada's lineup last Sunday for the first time and while he is a good ball player he showed the lack of practice. Two new men are scheduled to go into the game for Estacada next Sunday, and with the weak spots in the team patched up, Estacada should win every game during the rest of the season. There are but five games left to be played this year, four of them at home, and the Oswego game away.

The box score of Sunday's contest follows:
