ESTACADA, OREGON, FRIDAY, AUGUST 10, 1928

NUMBER 45

MORELAND CHOSEN TO HIGH LEGION OFFICE

COMMANDER OF LOCAL POST HONORED AT CONVENTION HELD IN MEDFORD

J. C. Moreland of Estacada, commander of the Carl Douglass post of the American Legion, was elected as district committeeman for the first district at the state convention held in Medford last week.

The position is really district commander and an amendment was submitted changing the title of the office to district commander, but was defeated, because it might bring confusion in titles. However, the district committeemen are members of the executive committee of the state department, and the head of the organization in this district. The first district includes Clackamas, Multnomah, Clatsop and Columbia counties. Portland post, with 18 votes in the convention, voted unanimously for Moreland, as did the other posts of the district.

Ben Fisher of Marshfield was elected commander of the American Legion, Department of Oregon without opposition. The only contested office was for vice commander.

"Community Service" is the slogan for the Legion the coming year. An effort will be made to increase the membership of the organization during the coming year. The membership in Oregon last year, the reports showed, was in excess by more than one thousand that of any former year in the history of the organization.

J. C. Moreland, Dr. W. W. Gilbert and G. E. Parks represented the local post in the convention, and Mrs. J. W. Moore went as a delegate to the American Legion Auxiliary convention which was held at the same time and place.

On the return trip from Medford the Legionnaires from Estacada visited Crater Lake, returning via The Dalles-California highway and the Wapinitia cut-off.

With the exception of the Pinnacles road from Crater Lake the highway and a section of the Wapinitia cut-off, the roads were in perfect condition. The delegates left Estacada Wednesday morning and returned Sunday.

The next convention of the Legion will be held in Salem. An amendment to the constitution provides that officers of the posts shall be elected prior to, and shall be installed at the first meeting in October.

HORSE RACES FEATURE OF CLACKAMAS CO. FAIR

ATTRACTIVE PURSES OFFERED WINNER OF EACH EVENT OF FOUR DAYS OF FAIR

Horse racing will be among the big attractions at the Clackamas county fair this year, and according to the plans of the fair board some of the best racing horses in the Northwest are to appear on the half mile race track.

Last year the races were eliminated from the program, but since the demand of the fair patrons called for horse races again it was decided to put on the races as afternoon attractions. A number of fast horses have already been signed up for the racing.

Following is the racing program for the four days of the fair:

Tuesday, September 18, 2:24 trot, 3 heats, \$200; 2:12 pace, 3 heats, \$250. Running races—overnight entries.

Wednesday, 19th, 2:24 pace, 3 heats, \$200; 2:14 trot, 3 heats, \$250. Thursday, 2:18 trot, 3 heats, \$250; Free-for-all pace, 3 heats, \$300.

Friday, 2:17 pace, 3 heats, \$250; Free-for-all trot, 3 heats, \$300. Running races, overnight entries.

Many improvements have been made on the race track since the last horse races were held at the fair at Canby. A new grand stand has been erected and this year an addition has been made to the bleachers, thus enabling many more to witness the races than in former years.

Many special events will take place in front of the grand stand this year. Among these will be the livestock parade, in which the members of the boys' and girls' 4-H clubs will participate to contest for showmanship with the elder livestock breeders. There will be many new faces among the livestock breeders at the fair this year, according to H. W. Kanne, secretary, and R. C. Kuehner, county club leader.

Among the livestock breeders to enter this year for the first time in Clackamas county will be John Beckley of Linnton. There will also be a large herd from Wapato, an Ayrshire breeder from that section, who will bring one of the best herds in Washington. This herd is also to be taken to the state fair, which follows a week later.

Eensley Gribble, of Gribble Prairie, will be superintendent of the livestock department, and Lloyd Kendall is the superintendent of the racing program.

The Estacada Band of 25 pieces has been engaged to play for the four days of the fair, September 18, 19, 20 and 21.

Martin Stauber will be in charge of dancing, a feature for the evenings. A fine orchestra has been engaged to furnish the music.

According to the fair management the pavilion, which has also been repaired, will be filled with a fine exhibit this year.

The first day of the fair will be known as Children's day, and the members of the 4-H clubs of the county are to put on the program, except the racing. On that day the new livestock pavilion will be dedicated. H. C. Seymour, state club leader, is to be master of ceremonies and O. M. Plummer, manager of the Pacific International exposition, will be a guest of honor.

The barn now under construction is to be 60x120 feet. Instead of having one single aisle down the center of the structure as those of the other livestock barns on the grounds, there will be two, one at each side. The building is to be well lighted and ventilated, and so arranged that other buildings may be added at the sides in future years.

Many special prizes are to be given this year in all departments, both home economics, which is in charge of Mrs. A. H. Knight, Canby; flowers, in charge of Avon Jesse; needlecraft, Mrs. Carl Joehneke in charge, and poultry, with Mrs. W. H. Thompson, Canby, in charge.

LEGIONNAIRES DEFEAT WASHOUGAL CLUB 3 TO 0

EACH TEAM GETS BUT FOUR HITS—ESTACADA SCORES IN 1ST, 6TH INNINGS

Estacada Legionnaires eliminated the Washougal merchants from the contest for first place in the Portland Valley league Sunday afternoon by defeating the club from over the river by a 3 to 0 score.

This was the hardest contest of the entire season. The Merchants played errorless ball throughout the game, and while they were credited with the same number of hits as the home team, Russell managed to keep them so well scattered that at only two times in the game was there any real danger of a tally for the visitors.

Pederson in the sixth inning got to third base with two out, and in the eighth inning W. Erickson reached the third sack with one man out. Roberts grounded out to Russell and Pederson struck out, ending the session and the chance of a score in the game.

Estacada's first run was made in the beginning of the game when Minto walked, Ray Lovelace hit one over the left field fence for two bases advancing the star second sacker to third, and the squeeze play was put over without a flaw on Fisher's sacrifice.

The other two runs were made in the sixth inning when Ray Lovelace hit to right field for three bases, Fisher singled scoring Ray and then Fischer scored on two passed balls.

According to the opinion of the crowd, Washougal was really entitled to but one hit off Russell. The members of the team were slow showing up Sunday, and when the time came to start the game Estacada was short one man. Just at this time Haight, who has been playing third base, arrived, and was sent to left field, a position he had never played before. He missed two flies that went for hits.

A foul ball, according to those who could see the course of the pellet, was called fair, and counted for the third hit. The fourth and only real hit made by the Merchants was in the eighth inning when W. Erickson batted one over the fence.

Russell had eight strikeouts to his credit. Kaiser of the Merchants had six strikeouts and Gaines had five, a total of 11 for the two visiting moundmen.

Al. Weinel was back in the game Sunday, playing third base. He was off on batting, however, being charged up with four strikeouts for as many times at bat.

Haight, who has made a perfect fielding score as third basemen this year for Estacada, got one hit for two times at the plate.

Ray Lovelace starred Sunday, getting a double and a triple for three trips to the plate. Minto, second baseman, made the fourth hit for the Legionnaires.

This victory ties Estacada and Hillsboro for second place in the league. The result of the games Sunday will no doubt decide the winner of the pennant.

ESTACADA TO PLAY OSWEGO NINE SUNDAY

The one big contest in the Portland Valley baseball league is scheduled for Sunday afternoon when the Estacada Legionnaires go to Oswego. A victory for Estacada would mean a three-cornered tie for first place, while a victory for the lake nine will end the Legionnaires' chances for the league championship.

The game will start at 2:30. The team plans to arrive in Oswego in time for a good workout on the new grounds, having played on that field but once this year, and that being in the early part of the season. It is expected that a large number of local fans will follow the team to the home of the league leaders, and winners of the first half of the schedule.

PROGRAM PLANNED FOR LABOR DAY CELEBRATION

Plans for the Labor Day celebration under the auspices of the Library association and the Estacada Band are very satisfactory so far. The different committees are holding meetings and getting the program of the day pretty well lined up. L. A. Chapman has charge of the parade and he has been promised all kinds of assistance. The different lodges have consented to put on drills, and many more have promised to get into the parade with different "stunts."

Tentative plans are also being made for the carnival. There will be band concerts during the day and the Liberty Theatre has secured splendid attractions. The committees are working splendidly on the cooked food stand and everything has been arranged to serve hot dog sandwiches, coffee, cakes, pies and ice cream.

The entire program will be on Broadway and Main streets between Second and Third. The carnival grounds are to be located on the vacant lots near the postoffice.

Everyone is invited by the committee to plan to spend Labor Day in Estacada where there will be plenty of entertainment all day and in the evening a dance will be given with first class orchestra music.
