Sarver Residence Improved

The B. O. Sarver residence on upper Broadway is being improved by the addition of porches across the north and west side, new paint and other improvements, which will make the home much more attractive.

Eagle Creek Trading Company Adds Many Improvements

The Eagle Creek Trading Company of Eagle Creek, L. P. Connor, manager, has made many improvements in and around their place of business during the last few weeks, made necessary by the ever increasing business of the company.

The building has been remodeled and enlarged until it is three times the capacity of the old structure. The display space is exactly twice as large and the warehouse capacity at present is just four times that of the business when Mr. Connor took charge about one year ago.

An attractive feature of the new building is a screened-in porch where luncheons and refreshments are served. This is very convenient for the Eagle Creek people as well as tourists, and is appreciated, as shown by its large patronage.

The company has joined the Affiliated Buyers' organization and has arranged the stock in the store to conform with the "serve yourself" idea.
