ESTACADA TAKES GAME FROM OSWEGO TEAM

LAKE NINE DEFEATED SUNDAY BY ESTACADA 11 TO 9 IN THRILLING CONTEST

For the second time this year the Estacada Legionnaires defeated the league leaders of Oswego in Sunday afternoon's game. It was a thriller all the way through, and the victory was not cinched until Minto caught a high fly in the last half of the ninth for the third out, two men being on bases at the time.

Oswego, winner of the first half of the Portland Valley league, has lost but three games this season, and two of those three have been won by Estacada. The lake nine was defeated early in the season by Hillsboro. Oswego, however, has one victory over Estacada.

The result of Sunday's game leaves a three-cornered tie for first position in the league. Hillsboro won a game from Estacada in this half and then was defeated by Oswego.

The local team has won ten games of the last eleven played. However, there are two teams in the league that the Legionnaires have never defeated—Sherwood and Hillsboro. Sherwood will play here next Sunday afternoon, in the last scheduled game of the season. The loss of this contest by the home team would end the season so far as the league is concerned. If Estacada wins this battle there will be a playoff for the championship of the second half, and if in this contest Estacada should win there will be a playoff with Oswego for the league championship.

The start Sunday looked bad for the Legionnaires. Oswego got two hits and as many runs in the first inning and scored two more runs in the third, making the score 4 to 0. In the fourth frame Estacada got 4 hits and two runs. In the fourth, fifth and sixth innings Russell held the lake club to 2 hits and no runs.

Estacada failed to score in the fifth and sixth innings, but in the seventh, Russell, Legionnaires twirler, started the fireworks with a two-base hit. Minto was up next and singled. A Lovelace followed with a two bagger, scoring Russell and Minto. Ray Lovelace singled, and Sundleaf, who had pitched the game so far, was replaced by Chief Manning. Fischer was safe on Brooks' error and two runs came in with no outs and the score standing at 6 to 4.

Miller was safe on a fielder's choice and Weinel struck out for the first out. Bronson singled and Jennings walked. On Russell's single, his second hit in the inning, Miller and Bronson came in. Jennings was stopped at second and Minto fled out to left, ending the session and leaving the score 9 to 4.

In the last half of the seventh Russell was wild and walked two men and allowed four hits for as many runs, making the score 9 to 8.

Estacada failed to score in the first half of the eighth and in Oswego's half Sundleaf struck out and Brooks followed suit. The umpire called him out and he went to the bench. Fischer threw the ball to first base and it was passed around the infield when Brooks slipped back to first base and was called safe over the protest of Estacada's manager and at least half the fans. There was a big disturbance which lasted for several minutes, the umpire changing his decision two or three times but finally deciding that Brooks was safe. Estacada gave notice that the game from that time on was being played under protest.

Brooks scored on Simons two-base hit, tying the score.

In the first half of the ninth Miller and Bronson each got singles and Russell and Minto each got two-base hits, Miller and Bronson scoring.

In the last half Rittenhouse singled and Lehl hit into one of the nicest double plays seen this season. Bronson to Minto to A. Lovelace. Shipley hit for half the circuit and Manning walked. This was the most critical stage of the game, two outs and two on, the very situation that existed at Oswego when they won from Estacada last June. Sundleaf ended the suspension and the game when he fled out to center, Minto, second

SHERWOOD BALL CLUB TO PLAY HERE SUNDAY

The last game scheduled in the Portland Valley baseball league will be played on the local field Sunday afternoon, starting at 2:30, when the Sherwood club will entertain the Estacada Legionnaires.

Sherwood is one team the Estacada club has never defeated, having entertained them once on the local grounds and once on Sherwood's diamond and lost both games.

Of the last eleven games played Estacada has won ten, and should they win Sunday, there probably will be a play off with Hillsboro and Oswego for the championship.

The game will start promptly at 2:30. This will probably be the last chance you will have to see the last Legionnaire team in action.

GERALD WILCOX KILLED BY ACCIDENTAL SHOT

Gerald Wilcox of Antelope, 38 years old, was instantly killed at his home Saturday night when a .22 calibre rifle, in the hands of his son, was accidentally discharged.

He was the husband of Mrs. Rose Wilcox, who served as state president of the American Legion Auxiliary the past year. He had resided in Clackamas county in the vicinity of Eagle Creek and Estacada all his life, until two years ago when the family moved to Antelope.

Gerald Wilcox was engaged in business in Estacada for a number of years, having been owner of the Cascade Garage at one time. He was active in community affairs, and at one time was a member of the school board here.

The news of his death came as a great shock to the community. That he was held in highest esteem by the people who had known him was evidenced by the large number attending the funeral, and the immense floral offerings, which required the use of a special truck to transport them.

The services were held at the M. E. church, Rev. C. T. Cook, pastor, officiating. Interment was in the Forrester cemetery at Eagle Creek.

BILL BOARD WILL BE REMOVED, COUNCIL TOLD

The Estacada council met Tuesday evening and after the usual opening business program a communication was read from Foster & Kleiser relative to the bill board placed on the northwest corner of Main and Third streets. The matter they said could readily be satisfactorily adjusted by making a change in the position of the board and that they would call on the council soon so as to present their method of readjustment.

A report of the Portland Electric Power company relative to the proposed change of fire hydrant situated on the company's right of way, was considered and would be satisfactory.

The council desires all water users to pay for the water at the end of each month. All owing over \$10 must pay the current month's rate and an amount equal to ten per cent of the old account additional each month till the old account is paid. Those owing less than \$10 must pay the current month's bill and an equal amount on the old account or the water will be shut off.
