

**WILL BE APPOINTED
SECRETARY OF STATE**

Hal E. Hoss of Oregon City will be appointed by Governor I. L. Patterson shortly to serve as secretary of state, filling the unexpired term of Sam A. Kozer, who is resigning to take over new duties as director of the state budget. The change in state officials is set for Monday, September 24, and Mr. Hoss will serve by appointment of the governor until January 7, 1929, the end of the term for which Mr. Kozer had been elected.

Mr. Hoss is the republican nominee for the office of secretary of state, winning in the primaries by a wide margin over H. H. Corey and

Hal E. Hoss

Tom B. Hadley. Prior to entering the race for election as secretary of state, Mr. Hoss served as private secretary to Governor Patterson and before that was manager of the Morning Enterprise, published at Oregon City. He has been active in newspaper organization work, and has held a number of offices in publisher associations.

Mr. Kozer, who is nearing the end of his second term as secretary of state, was selected by Governor Patterson to direct the state budget because of his many marked qualifications. There is perhaps no one in the state more familiar with the operative and fiscal affairs of the commonwealth than Mr. Kozer, due to his long contact with all its various departments. As director of the budget, working directly under the governor whom the 1927 legislature designated as state budget officer, Mr. Kozer will give Oregon taxpayers the advantage of his vast fund of knowledge about public business and will fill an important place in the administration's official family.

There will be no drastic changes in the personnel of the office of the secretary of state, according to Mr. Hoss, who has let it be known that he intends to conduct affairs as efficiently as possible, without regard to professional job hunters and political hangers-on. The Hoss family has moved to Salem and taken up residence in the Fairmont hill district.

**Clackamas County
in September**

The highway is wet with yesterday's rain. Through the mist the traveler gazes off into the colors of the forest and finds himself in the land of unreality.

The air is scented with elusive tints, faint, as if wafted a long way from an attic where some thrifty ancestor dried the herbs against a long hard winter.

Tent-like shocks have been erected in the cornfields, bivouacs of the dear departed summer days; and the ground is strewn with ripe pumpkins. Across an old rail fence, its webbed corners asparkle with the pearls from last night's shower, and the crimson berries of winter green, a flock of geese noisily get to their breakfast of monster cabbages.

The bracken is still green on the sunny slopes; there are two valiant red hollyhocks at the top of a tall spike, the pink petunias bloom gaily on in the window boxes; yet the call of the scarlets, and the purples, and the yellows have been heard in the gypsy heart of us, and the gypsy feet of us are already keeping time to the ago-old song of the forest bedecked in the gay colors of autumn. The cabin becomes oppressive—

"When from every hill of flame
She calls, and calls each vagabond
by name."

**RUBE SHAW'S GIRL BAND
COMING TO LIBERTY**

As a special event in the interest of Liberty Theatre patrons, Manager Bill Perry has secured Rube Shaw's Famous Girl Band as a headline attraction, accompanied by a number of high class vaudeville acts which include singing, dancing and comedy offerings, to appear at the Liberty on the evening of Saturday, September 29. This is known as Rube Shaw's Road Show No. 1.

The management of these attractions insists upon popular prices of 40 cents for adults and only 15 cents for children, although the show is said to be worth at least double the price of admission.

"We want your patrons to get more than their money's worth," said Mr. Shaw to Manager Perry, "and for that reason we are offering a dollar show for 40 cents, which means that when our road show No. 2 comes along, a few weeks later, your theatre will be packed to the doors."

Rube Shaw's road shows are known throughout the entire Northwest, having established a large following among theatregoers wherever they are presented, and the management of the Liberty has arranged to have Estacada included on their regular circuit of houses, believing that the patrons will look forward to these attractions as a real treat.

A dance at popular prices will follow the performance, starting at 9 o'clock in the Masonic hall, which is upstairs in the theatre building. Admission for the dance will be 75c for gentlemen and ladies free.
