HOOVER VICTOR IN OREGON LANDSLIDE

Former Records to be Passed in the Present Election Count.

Hoover is experiencing a landslide of such gigantic proportions that it will approximate 100,000, based on a vote of 80 per cent of the registration, or 350,000 votes cast in Oregon. The republican managers had made an estimate of 73,000.

The Oregon people have spoken in emphatic terms and there is no doubt as to their meaning. Oregon is republican and dry, and Smith, democrat and wet, was foredoomed to defeat in this state, but the depth to which he has been buried exceeds the most sanguine expectations of the Hoover supporters.

A more sweeping and complete defeat has not been recorded in a presidential election in Oregon.

In the three congressional districts additional returns simply increased the leads of W. C. Hawley, R. R. Butler and Franklin F. Korell. Mr. Hawley has carried every county in the first district. In the second district Butler has carried all but possibly four. These four, in which Pierce leads, are Union, Wallowa, Wheeler and Sherman, although in the latter Butler has a thin advantage. The third district, Multnomah county, is all in Korell's pocket.

Dunne Bills Are Defeated.

With the accumulation of more returns, it is obvious that the Oregon voters have turned thumbs down on the two Dunne bills, one for increasing the gasoline tax and the other reducing the motor license fees. There is a sentiment for the latter in several spots, but on the whole the bill is swamped.

The "four river" bills have found support nowhere, not even in the counties which are directly affected. The streams aimed at in these bills are Rogue river, Umpqua river, McKenzie river and Deschutes river. The bills were sponsored by sportsmen, with a view to preventing their commercial exploitation by means of hydro development or irrigation.

Here and there, in a few scattered counties, a sentiment is shown for limiting the powers of the legislature with respect to initiated bills, but by and large this measure has gone down to defeat, buried under an avalanche of ballots.

From the top of the republican state ticket down to the bottom there has not been a break. Not one democratic candidate on the state ticket has been anywhere near defeating or equaling the vote which has gone to the republican nominees.

Portland Municipal Measures Pass.
Returns from 342 precincts out of the 427 in Portland on the municipal measures give: Annexation, yes 25,996, no 7,163; firemen's pension, yes 23,000, no 16,624; telephone franchise, yes 27,770, no 9,603; crematory bonds, yes 18,047; no 16,090; street widening bonds, yes 22,129, no 15,553.

Hall E. Hoss, republican, was leading Ed S. Piper, democrat, three to one in the contest for secretary of state.

The republican candidates for state senator headed the field in the voting in Multnomah county, with substantial majorities. J. O. Bailey was high man with 21,537 votes to his credit with Harry L. Corbett a close second with 21,494 votes. There were five to be elected.

Thomas B. Kay, republican, the present state treasurer, was far in the lead in the race for that office, with a total in the incomplete totals of 25,014 votes.

In the race for attorney-general I. H. Van Winkle, republican, incumbent, was far in the lead with a vote of 19,278 votes.

BAKER APPEARS WINNER

Present Mayor Returned to Office by Close Margin.

Portland, Or.—Geo. L. Baker was elected mayor for his fourth term at the election on the face of returns from 319 of the 429 precincts, a wave of popularity throughout the city sweeping the mayor into office again on first-choice votes.

After a close race in which the three candidates for city commissioner were running neck and neck and their positions changed from time to time, George P. Eisman took the lead, John M. Mann slid to second place and A. L. Barbur was third.

So close was the contest for the two places for commissioner that third-choice votes were necessary to determine the lead as the count progressed, and the missing 108 precincts might change the result either way.

While the vote on city commissioner was close, comfortable leads on all of the city measures submitted to the people at the election appeared to have been obtained as returns were counted. Five measures were passed on.

VIOLA

Viola is sorry to lose their teacher, Miss L. Hubbard. It seems she did not take the teachers' examination for this term and was not eligible to teach, although she had taught the past two years.

The school board has hired another teacher to fill out the term, Miss Louise Nelson of Orient.

An agent for a cooker was at the home of Mr. and Mrs. Earl Lankin Monday evening and some of the neighbors came in to see the demonstration, which included Mr. and Mrs. Emery Powers and two children, Mr. and Mrs. Eldon Lankin of Gresham, Mr. and Mrs. Charlie Tracy and Mr. and Mrs. Emery Cromer of Logan Mr. and Mrs. Ed. Bateson and daughter Anna and Mrs. John Randolph.

Emery Powers had an accident on the Carver line recently. The rails spread and a wheel came off. He was lucky to come out of the wreck whole. He drives the "Galloping Goose" from the Elliott mill down to Fisher's Landing.

Quite a number of the Viola neighbors met at the home of Mrs. Joe Hinkle last week to organize a sewing club and to get better acquainted and to spend a pleasant afternoon together.

Harry Northrup has traded his place to a man from Portland.

Mrs. Howard Swick of Monument, Ore., is visiting relatives here. She is a daughter of Mrs. Nora Lankin.

CURRINSVILLE

Continued nice fall weather is a boon to farmers who had their plowing done.

Lee McKenzie has moved into the Webber home.

Cleve Heiple is baling hay at Currinsville and reports some very fine hay, Mrs. Moxley having some that is exceptionally good.

T. E. Hammersby is building a machine shed on his ranch.

Mr. Franks is putting lumber on the yard to build a fine modern dairy barn on his place.

George Walters is rebuilding the Currinsville stock scales. He expects to have them completed by Thursday ready for weighing.

Mrs. R. H. Miller was helping in the Currinsville store Wednesday while J. C. (Buster) Tunnell was hauling to Oregon City. The store truck hauled some fine hogs to the Portland market Tuesday for C. H. Fantz. Another fine load was hauled in for C. A. Looney and Lester Hale. L. H. Ewalt expects to take a load of hogs to market Wednesday.

Mr. and Mrs. Andrew Shankland of Portland were out Sunday visiting relatives in Currinsville.

MRS. MITCHELL HOSTESS

Mrs. Ned Mitchell was hostess to the Sandy Embroidery club meeting Monday evening. Present were Mrs. F. L. Proctor, Mrs. Clarence Brown, Mrs. Lundy, Mrs. H. Perret, Mrs. A. Dahrens, Mrs. Dittert and Mrs. Mitchell.

To the 5000 who daily become owners of the new Ford car

THE service obligation of the Ford Motor Company and its dealer organization is now growing at the rate of 5000 cars a day. It is to these new car owners that this message is addressed.

The new Ford is a remarkably fine car for one that costs so little. It is simple in design, constructed of the finest materials, and built to unusually close measurements.

These are the reasons it performs so wonderfully. These are also the reasons its service requirements are so few and the up-keep cost so low.

When you receive your new car, the dealer will explain the simple little things that should be attended to at regular intervals to insure the best performance. He will also tell you something of his own facilities for doing this work promptly and at small cost.

With the purchase of your car, you are entitled to Free Inspection Service by your dealer at 500, 1000 and 1500 miles. This service is due you and we urge you to take full advantage of it. Proper care during this breaking-in period means a great deal to the life of your car.

Included in the Free Inspection Service is a check-up of the battery, the generator charging rate, the distributor, the carburetor adjustment, lights, brakes, shock absorbers, tire inflation and steering gear. The engine oil is also changed and chassis lubricated.

No charge whatever is made for labor or materials incidental to this inspection service, except where repairs are necessary because of accident, neglect, or misuse.

The labor of changing the engine oil and lubricating the chassis is also free, although a charge is made for the new oil.

We believe that when you see the good effects of this inspection you will continue to have it done regularly throughout the life of your car.

Wherever you live, you will find the Ford dealer very helpful in keeping your car in good running order for many thousands of miles at a minimum of trouble and expense.

He operates under close factory supervision and has been trained and equipped to do this work promptly, thoroughly and economically.

FORD MOTOR COMPANY

EXTRACTION OF TEETH

At this office we are equipped to handle the most difficult extraction, with gas or local injection around the gums.

A trained dental nurse to insure cleanliness.

My past experience will bear me out as a painless extractor of Teeth.
