The BEST Time to Enter--NOW

Figure for Yourself Just How Subscriptions Count in Votes--NEW Candidates Should Enter and Lead Next Publication List

HONOR ROLL DAYS ABSOLUTELY THE BEST TIME TO ENTER

The only extra offer of the campaign is announced today. This is the opportunity for brand new starters to make their entry in the list, and a rapid climb upward; this is the opportunity for those who have delayed their start until the first count which appears today. If you cannot understand any feature of this special offer, ask us personally and we will make it clear.

When this offer of big extra votes is made, every candidate now in the race and every prospective candidate can afford to launch in with real vigor. We want more enlistments to replace those who are not going to do anything in this race.

This big vote offer will not be repeated. It carries a great weight. The opportunity to get ten-year subscriptions is now very bright. The greatest that any candidate can secure is five ten-year subscriptions issuing the Honor Roll coupons. If you have any ten-year prospects, get them now, because it will produce like two usually do in votes. Remember, five coupons for the 500,000 Honor Roll votes is the limit for each candidate.

There is no limit to the number of 100,000 and 200,000 Honor Roll coupons. The votes secured during Honor Roll days count like everything. They pile up tremendously. Get yours during Honor Roll Days and make every hour count.

Looks Like Two New Enclosed Cars Will Go for Less Votes Than Required in Old "Piano and Ring Contest"

Judging from present indications, these two cars—real cars, an \$870 Chrysler Plymouth Sedan, and a Chevrolet Six Sedan—are going to be given away for less votes than usually are required when a jitney, a sewing machine, a phonograph, a wrist watch or a small diamond ring are given.

Publication of the first count today does not mean that nominations are closed. Far from it. This campaign is only starting. There are more candidates who have not accomplished anything than there are who have. The campaign is hardly under way yet. Certainly, some candidates have not gotten into their stride yet.

Live, earnest, energetic candidates—subscription getters—can enter now and WALK AWAY from slow going entries. Speed, pep, work—subscriptions will win.

CARS GO FOR LITTLE

That is the honest truth. Votes turned in so far would not justify one of the old time piano, sewing machine and ring campaigns. The lack of interest manifested by candidates in general is not only regrettable, it is appalling. It is ridiculous!

LET FRIENDS DO WORK

Here the Clackamas County News is putting up over \$2500.00 in new, handsome automobiles and other prizes and purses of money. And some who have entered are content to stand by and let their friends cast votes for them. In fact, more votes have been cast, in some instances, by the subscribers themselves over the counter in the News office than most of the candidates themselves have turned in.

This means that friends who would subscribe or renew anyway in the natural course of business come to the News office, pay their subscription without solicitation, and because they are friends of the candidate, cast their votes for them. Some, too, are only coupon chasers, who would rather spend profitable time looking for free vote coupons when one subscription would offset a "whole flock" of coupons. Of course that is perfectly all right, the News desires business and business makes the votes. But the News wants to see the candidates manifest some enthusiasm themselves in their own election. It takes more than friends to win. It takes honest effort. Honest effort means subscriptions. Subscriptions means votes. Votes mean prizes.

IN SACKCLOTH AND ASHES

Sooner or later in this campaign, a candidate now entered or one or more who will yet enter, will get their stride and the drones are going to find themselves weeping in sackcloth and ashes at the roadside, while the lives ones spin past in their new cars—automobiles won through consistent effort.

No one need be a drone. Everyone has it in him or her to accomplish and to do. The dormant power must be awakened.

WAKE UP! GET BUSY!

You candidates who are in: You have been nominated. Your friends have helped you. Some of you are willing to help yourselves. Others of you have not yet seen the light. Wake up! Start doing! Accomplish! Win!
