CAMPAIGN NOTES

If a candidate ever expects to do anything real for himself or herself in this race, it is reasonable to expect that he or she will make the effort between now and 9 o'clock Saturday night. As close as the race now stands, a few subscriptions may be the deciding factor.

Your votes, Mr. Reader, may be the deciding factor in helping some candidate achieve victory or a small fortune in this campaign. Will you refuse to help your friend now?

Over-confidence is the biggest handicap under which any candidate can work. This unwelcome handicap has caused more regrets than anything else in a campaign of this kind. The only way to become a winner is to spend every possible minute getting subscriptions.

Perseverance is the only winning quality.

The Clackamas County News is justly proud of the list of candidates who are competing with might and main in this exciting Battle of Votes for the biggest stakes ever offered in this section. It seems that each community and each of the neighborhoods in the district has chosen its most energetic leader for its representative in the campaign; and those favorites are well fulfilling the expectations of their hundreds of friends and supporters in their respective communities.

The present week, ending at 9 o'clock Saturday night, promises to be the biggest of the whole campaign, and there is no doubt but that a greater number of votes will be cast this week than at any other time during the campaign. If you halt now for a moment—if you slack up or let your enthusiasm wane—or if you overlook an opportunity to better your chances to win, you are taking the desperate chance of losing these big, beautiful awards. Participants are certainly going strong—getting subscriptions and business right and left, each preparing to "cinch" the leadership for the fine motor cars before 9 o'clock Saturday night.

Candidates who have formerly been the hardest workers are still going strong. Some candidates who have in the past been down in the list, are showing real speed. This indicates that every single candidate has plenty of "fight" left. It shows that the candidates who look harmless now will be among the strongest when the end comes. All are watching "the other fellow" and planning to go him one better.

This Extra Prize

Extra . . . Extra \$100 in Gold

NO OTHER SPECIAL OFFER OF ANY NATURE WHATSOEVER WILL BE MADE DURING THE REMAINDER OF THE CAMPAIGN

An extra prize of \$100 IN GOLD will be given to the candidate scoring the greatest number of points before March 30. All subscriptions turned in during this period of time will count both points and votes.

All candidates start on even terms—at zero. Every candidate will have an equal chance at this special prize.

This award is in addition to all prizes and will be given for points made before March 30.

All votes, club votes and all, are given regularly on all subscriptions turned in before March 30, as well as credit points on the special offer. This offer does not interfere in the least with winning the prize you started out after. In fact it will help you, for while you are winning the extra \$100 IN GOLD you will be piling up a total of votes that will carry you to the top of the list for the final dash for one of the originally announced prizes.

KILL TWO BIRDS WITH ONE STONE

This gives all candidates a two-fold opportunity in this second period of the campaign. Each candidate has the opportunity now of piling up a big vote total on the original prize list of two motor cars and other gifts. At the same time and with the same subscriptions you secure points with which to win the extra added prize of \$100 IN GOLD
