CHURCHES

Estacada Christian

The Bible school lessons for next quarter plunge at once into the period of the latter Judean kingdom. The quarter begins next Lord's day with The Ministry of Isaiah. A more dramatic setting could not be imagined when we understand that the period of Isaiah was the same as that of the great Assyrian monarch, Sargon, the finding of whose palace covering over forty acres of ground, gave the destructive critics apoplexy, about the middle of the last century, because they had always stoutly maintained that Sargon never lived, and therefore the Bible was in error when it mentioned him. Yes, this lesson is sure to be interesting. Come and see and hear for yourself.

DR. FREEZE RETURNS

Dr. Harvey Freeze, a well known eye specialist of Oregon City, has returned from Los Angeles and resumed his practice after an absence of a month. He took post graduate and clinical work as well as instruction in the use of three new scientific instruments, the Myoculator, Keratometer and Perimeter. Dr. Freeze claims that these three new instruments which he has added at a cost of over \$1000 will so improve optometric diagnosis that all interference with normal eye conditions is immediately traceable. He is now in his 26th year of practice, 14 of which have been in Clackamas county.—Adv.

Estacada Methodist
Unless we can touch and feel God in the commonplace He is going to be a very infrequent and unfamiliar guest. For life is made up of very ordinary experiences. Now and then a novelty leaps into the way, but the novelty tenor is rarely broken. It is the ordinary stars that shine upon us night after night; it is only occasionally that a comet comes our way. Look at some of the commonplace—health, sleep, bread and butter, work, friendship, a few flowers by the wayside, the laughter of children, the ministry of song, the bright day, the cool night; if I do not perceive God in these things, I have a very unhallowed and insignificant world. On the other hand, the man who discovers the divine in a loaf of bread, and lifts his song of praise, has a wonderful world, for Divinity will call to him on every side.

Last Sunday was a great Sunday. The Sunday school, which had its regular lesson at 10 o'clock, was large, there were 128 present. And the program at 11 o'clock was inspiring and uplifting to about two hundred and thirty people. The evening Easter musical put on in union service by the two churches, was fine and all seemed to enjoy it. May we have more.

Some one said there could be as many at all services if they would be willing to come. Next Sunday morning at 11 o'clock the sermon theme will be "Achievement of Self." In the evening at 7:30 the subject will be "The Law of Spiritual Gravitation." Sunday school meets at 10 o'clock; the Epworth League at 6:30 in the evening. A cordial invitation is extended to you to worship with us.—C. T. Cook, pastor.

Haley Baptist Church, Boring
