Christian Church Notes

10 a.m., bible school. Nature at this time of the year and after the warm sunny days we have had seems to be trying to outdo itself with blossoms, as if to give thanks for the winters rest and a promise of another harvest. We too should give thanks to God for His watchful care over us. How better can we do this than by the worship of His name in the church and bible school.

11 a.m. Church, hymns, prayer, communion and sermon "Types of Faith."

Palmer A. Ford, Minister.

CHRISTIAN SCIENCE CHURCHES

"SUBSTANCE" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 16.

The Golden Text was, "For ever, O Lord, thy word is settled in heaven. Thy faithfulness is unto all generations" (Ps. 119:89, 90).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty; for all that is in the heaven and in the earth is thine; thine is the kingdom, O Lord, and thou art exalted as head above all. Both riches and honour come of thee, and thou reignest over all; and in thine hand is power and might; and in thine hand it is to make great, and to give strength unto all" (I Chron. 29:11, 12).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Question.—What is substance? Answer.—Substance is that which is eternal and incapable of discord and decay. Truth, Life, and Love are substance, as the Scriptures use this word in Hebrews: 'The substance of things hoped for, the evidence of things not seen'" (p. 498).

Henry Fonda, Dorothy Lamour, Linda Darnell, Guy Kibbe, John Carradine and many other stars will be seen at the Esta theatre Sunday, Monday and Tuesday, March 23, 24 and 25 in the great technicolor picture "Chad Hanna." The best selling novel by Walter D. Edmond's is a screen sensation and no mistake.—Adv.
