Pony Express Race June 29

On June 29th riding organization; of this territory will participate in a pony express race from Lake Oswego to Timberline Lodge.

Competing horsemen dressed in buckskins and woolens will clatter Oregon over the 71 miles of trails and un- sister and family from Saturday unmproved roads in a horse race which til Monday. harks back to the old pony express days when the speed of a mans hors was a life or death matter. Officials of the Clackamas county

sheriff's posse of the Lake Oswego Hunt club and Timberline Lodge sponsors of the race announce that torses and riders will be changed evry ten miles along the route.

Several remount stations will b cattered along the roadside where spectators will watch breathless rid ers hurl 1941 mail bags to second once. We have a large contract to horsemen while twin motored mai danes roar overhead.

Officials of the forest service anounce that they have assigned crew. o clear winter debris from mountain paths and open long unused stretches Drug Store, Gresham, with any 6 or 8 of the historic Barlow trail over

which the race will be run. It was almost a hundred years age hat Sam Barlow and his little ban-OREGON MUTUAL FIRE INSUR. of pioneers stood on the castern edge ANCE CO. has LOWEST RATES. of Mt. Fluid Drive Travels 147,000 Miles Without Needing Service

With a record of 147,000 miles of continuous day and night driving thru the sands of Texas entirely free from trouble Chrysler's Fluid Drive has completed one of the most gruelling tests ever imposed on automobile mechanism.

Two Chrysler cars with Fluid Drive have been operated for the last year by Sears, Roebuck and company of Chicago in its test fleet at San Antonio, Texas. The purpose of this test fleet is to determine the quality of tires, engine oil, and spark plugs that are merchandised by this great company. Naturally driving conditions are made as difficult at possible in order that Sears may have complete information on items being tested.

Cars are driven 24 hours a day and every day in the year and drivers are instructed to punish them in or der that the high quality of the goods \$65 may be determined beyond any chance of error. The standard driving speed is 60 miles an hour with three drivers operating on eight hour shft to keep the cars constantly on the tests. Expert mechanics service the vehicles at regular intervals.

L. A. Werner superintendent in charge of the test fleet reports that no service was necessary on Fluid Drive during the 147,000 miles of operation in spite of the continuous and varied punishment gven the cars. Mr. Werner also says that after all this driving the original pistons fit within limits a tribute to the fine serface finish that Chrysler is able to achieve thru its Superfinishing process. Connecting rod bearings are changed at 30,000 miles and piston rings replaced at 35,,000 miles as a part of the regular procedure of the tests.

Chrysler's reputaton for long life and trouble free operation is given credit by Sears, Roebuck and company are one of the factors leading to the selection of these Fluid Drve equipped cars for this exceptionally trying service.

Chrysler motor cars are ssol locally by the Hessel Implement company of Gresham.

Strawberries Get Nutrition OK

A break for strawberry growers as well as those who have a yen for this fruit has come with the discovery by food specialists that strawberries area lmost as good a source of vitamin C at tomato juice. Hereafter when one partakes of his favorite dish of strawberry shortcake or of strawberries and cream he need not feel merely that he is pleasantly satisfying his appetite but can feel the virtue which comes from eating some thing that is good for him nutritionally. Some are even going so far as to say that it will be patriotic to eat strawberries in season and leave the tomato juice for defense food pur-

Memorial Day 1941

As we face the tremenduous problems of the present day world, let us take courage from the glorious history of our country and the memory of those heroes who wore our country's uniform.

Let us be resolved anew that the principles for which they gave their lives shall not perish from from the earth.

Let us pay just tribute to the soldiers and sailors of our country, both living and dead, who upheld the honor of America in her hour of trial.

And as we honor their memory on Memorial Day 1941, let us pledge ourselves again to keep this America Free and that this government for and by the people shall never pass away.

CURRINSVILLE

Mr. and Mrs. Henry Heiple drovs o Vernonia on Saturday for a visit over the week end with their daughter and family. They returned on almost winter weather near Vernonia

Word was received from Gresham hat George Currin was ill at his home there. Mr. Currin is over ninety years old.

A very enjoyable day was spent at the Donald Hale home on Sunday when Mr. and Mrs. Donald Hale enertained with a dinner honoring Mrs. Sara Hale on the occasion of her pirthday. Those present were Mr. and Mrs. Floyd Hale and Jerry, Mr. and Mrs. Ray Hale, Mr. and Mrs. Pulley and daughter Viola, Mr. and Mrs. Brenton Vedder and Mr. and Mrs. Preebe and and daughter Mrs. Johnston from Sandy. Mrs. Hale received a number of gifts.

Members of the Past Noble Grands club who enjoyed the meeting of the Sandy club at the home of Mrs. Bina Bell on Wednesday were Mrs. Lydia McConnell, Mrs. Doris Smith, and Mrs. R. H. Currin While the Sandy club is only six months old they have built up some wonderful work in their organization. Mrs Val Cary of Gleneden beach who is visiting in Estacada was a visitor also.

Saturday evening sixteen Rebekah friends came in and helped Oral Stormer celebrate his birthday. Elmer Davis whose birthday was nea: shared honors with Oral. A pot lucl dinner was served at 7 o'clock. After wards cards were enjoyed until a late hour. High honors were won by Mr. and Mrs. R. H. Currin and low cores by Mr. and Mrs. Earl McCon-

Mrs. Edna Davis and the twins and Mr. Davis came over from Vernonia on Wednesday to spend the remainder of the week with home folks

'A happy group gathered at th Earl McConnelll home on Sunday the men competing for honors at horse shoe pitching and the ladies at preparing a feast for the tired conten-

ceiving berries thru cooperation with McConnell, Mr. and Mrs. Gifford Mc Connell, Mr. and Mrs. Floyd Benson, Mr. and Mrs. Bill McDer: mott all of ies and Leonard Osburn said last Portland, Mr. and Mrs. Tom Livingston from Beaverton and Kathryn ly from Estacada. Kathryn is spending the week with home folks.

A group of people from here and Garfield are busy making mattresses at the school house under the supervision of Hugh Carlin, Four mattresses are in the making at one time and each requires four people to Monday and encountered what was work. Four people are supposed to make one mattress a day

Tomatoes Plus

TOMATOES are very good eating as just plain tomatoes, but add the flavor of another good food to them and you have their delicious taste together with another succulent flavor—in other words, tomatoes plus. Take peas for instance, They are nearly as popular as tomatoes. Why not enough the tastes of these two years. popular as tomatoes. Why not enjoy the tastes of these two vegetables together in such dishes as the following:

Tomato and Pea Outlets: Com-

bine one cup of drained canned peas, one half cup very thick white sauce and two slightlybeaten egg yolks. Drop by spectfuls into a hot, buttered skillet, and fry brown, turning over once. Dip eight slices of ripe tomato in flour, and sprinkle them with salt and pepper. Sauté in fat in which cutlets cooked. Serve a cutlet on each slice of temato.

Serves eight.

Peas with French Tomatoes: Cut three or four not-too-soft to-matoes in pieces, and sauté gently in three tablespoons butter until soft. Season well with salt and pepper, and add the drained con-tents of a No. 2 can of peas. Heat and serve. Serves eight.
