

Not Wheat but Milk and Eggs

1918 wheat headed the list of farm products needed for national defense purposes. In today's emergency, however, the emphasis is on such as milk and eggs. There is plenty of wheat on hand—in nearly a two year's supply is stored in the nation's Ever-Normal granary. The U. S. Department of Agriculture urges that farmers, planning for next year, hold down production of surplus crops such as wheat and at the same time expand production of defense foods as today.

government has cut off foreign shipments.

The schools have an enrollment of 34 with more expected later. The teachers are Miss Mary Gibson of Woodburn principal and upper grade teacher and Mrs. Maurice Flesman of Portland primary and Elmer Powell is janitor.

A 4-H health club has been organized in the upper grades with Miss Gibson as leader. Officers of the club are Jimmy Barry, president; Luella Smith vice president; Vivian Still secretary. Other members of the club are Dorothy Lampe, Ethel Higgins, Durell Klatt, Hillard Crandall, John Younger, Jeanne Lampe, Doris Zuber, Kenneth Berry, Florence Story, Pete Maffie, Earl Crandall, Marion Whisler, Pauline Carmack and Allen Lystle.

Mrs. Roy Forrester entertained at a house party for several friends from Portland Thursday. Guests were Miss Frances Zunick, Miss Rose Zunick and Miss Helen Sherick.

Mr and Mrs. Frank Beverly of Gladstone visited Mr. and Mrs. H. Udell in lower Dover last week. Mrs. Beverly is a daughter of the Udells.

H. F. (Hal) Gibson is recovering from a recent major operation.

Among those returning from Willamette valley hop yards are Mrs. Eva Glover, Frank Munding, W. A. Smith and O. E. Stephens.

There are still several fields of grain to be combined. The weather is dryer and continued clear weather should enable combines to work in the fields again.

The community club met for the first fall meeting Friday eve, September 26 at the school. An interesting program was given and refreshments were sold. New officers were elected at this meeting.

GEO. HIMLER INDICTED FOR MURDER

The Clackamas county grand jury Wednesday indicted George Henry (Duke) Himler, 29, of Park Place for first degree murder, the victim being Charles Parker Straight, 56-year old Clackamas Heights resident.

Himler is accused of stabbing Straight with a knife on the afternoon of Saturday, September 13 at Straight's two room shack following an all day drinking bout, taken part in by Straight, Mrs. Straight, Himler and Linnea Longah who claimed she was Himler's wife. She (Linnea Longah) is being held in the county jail as a material witness to the murder.

Several Give Testimony

The grand jury returned the indictment after considering the case Tuesday and part of Wednesday. Testifying before the veniremen were Sheriff Fred Reaksecker, Sgt. W. B. Glenn of the state police, Elsie Straight a daughter-in-law of the slain man, Linnea Longah who claimed she was Himler's wife, Elva Mae Smith a neighbor, Geo. H. Himler father of the accused man, Hilda Straight wife of the murdered man, Jacob Kyler stepfather of Mrs. Straight, Richard Allen Smith, Henry L. Probasco and Elvin Smith, neighbors.

It is understood that Glenn R. Jack will defend Himler at his trial. He cannot plead guilty to the first degree murder charge and it was learned that his testimony will be self defense to escape the gas chamber.

The grand jury in addition to indicting Himler returned one secret indictment.—Enterprise.

BIG FLAX CROP IS SEEN IN COUNTY

Clackamas county flax growers are participating in the Willamette valley crop increase and approximately \$75,000 or \$100,000 will go into the pockets of farmers.

The Clackamas Flax growers owning a plant near Canby have approximately 85 men working day and night and the institution will handle over 4000 tons of flax as compared to the some estimated 2400 tons.

H. H. Eccles secretary of the flax organization disclosed that \$12,000 of the 1941 flax seed had been sold to Peru, agents being here for some time. Growers of the county have 5000 bushels of flax seed in addition there will be a quantity of off-grade seed which is sold to linseed concerns.

The output this year of flax fiber will average 2 1/2 to 3 tons to the acre while the general average in the Willamette valley has been from 1 1/2 upwards.

Mr. Eccles pointed out that all the flax in Clackamas county is "tops" with No. 1 quality bringing 30 cents in the field.

The flax for the Canby plant will come from 136 growers who have

planted 1596 acres for sale of seed and fiber.

Mr. Eccles also pointed out that the flax seed will run about five bushels to the ton.

At the present time flax is very valuable due to the fact that the

OREGON 4-H DAIRY TEAM TO MEMPHIS

TWO Benton county girls, Jane Keeney, 16, and Edith Brown, 17, of Corvallis, are Oregon's entry in the national 4-H dairy foods demonstration contest at the National Dairy Show, Memphis, Tenn., Oct. 11-18. Coached by Geraldine de Lancey, their club leader, who was the 1940 national girls' leadership champion, the team won over all rivals in the annual competition at the recent State Fair, Salem. Their demonstration emphasized that the addition of cheese to common dishes increases the color, flavor and nutritious value of food. As state winners they receive all-expense trips to Memphis through the Kraft Cheese Company, which also provides \$2800 in college scholarships for the eight highest scoring teams in the finals there.
