Dodge Doings

Last Sunday Mr. and Mrs. L. W. Meittunen drove to Dallas to visit her mother, Mrs. B. Abbott.

Matt Ott was the recipient of a beautifully decorated cake, presented to him on his 71 birthday by Mr. and Mrs. Howard Sanders. The cake was made and decorated by Mrs. Sanders and was in the shape of a ladies hat trimmed with flowers.

The high wind last week blew down three trees in the front yard of the Jack Kishpaugh home. Luckily they fell toward the road instead of the house. No damage was done. Jack and Nita and the two children are staying with the P. C. Kishpaugh at present due to the cold weather and the fact that Mrs. Kishpaugh recently arrived home from the hospital with their new son Ricky Lee.

A small but interesting Extension Unit was held at the home of Mrs. Maude Rarick last Tuesday, March 6. Six ladies braved the snow and were well rewarded by an interesting lesson on salads and salad dressings ably presented by Mrs. Rarick and Mrs. Wm. Conner. Of course there were generous samples for all to taste. The next meeting will be held at the home of Mrs. M. F. Ott in April and will concern window treatments. The county

agent will be the leader at this meeting.

Pvt. Barrie Kishpaugh spent the weekend at home and will be able to do so quite often for the next few months as he is stationed at Fort Lewis for the present.

Mrs. H. J. Westerberg was surprised to hear her name announced on KPOJ last week as being first place winner in a Homemaker Hint contest put on by Mary Cullen. The prizes consisted of two passes to the Paramount theater, two dinners at the Multnomah hotel as well as a bag of groceries.

Mr. and Mrs. Ralph Reynolds took Mrs. P. C. Kishpaugh, Nadine and Sharon Kishpaugh to West Linn last Thursday to visit Mrs. Kishpaugh's mother.

Dodge Community club met Friday evening for their regular monthly meeting. Many items of business were discussed among them being to hold a work day to saw up several logs for wood, which have been donated. The women will serve a hot noon meal to all the sawyers. So all of you strong men bring your ax and help cut wood on Saturday morning March 24.

Miss Arleta Anderson is now employed permanently in Portland.

Mr. and Mrs. Fred Meister of Chicago are the guests of Mr. and Mrs. Ed Linn. The women are cousins.

Wallace D. Bishop Files For Office

Wallace D. Bishop, 44 year old resident of Oregon City filed on Wednesday of this week for the Democratic nomination for County Commissioner. Bishop, who has been an employee of the Clackamas County Road Department for the past five years, stated that his interest in the position stems from his desire to see a congenial and cooperative county court which will work for economical county government without sacrificing the working conditions or fair wage of the county employees.

Mr. Bishop has three children, two of whom now attend Oregon City public schools. His affiliations have included membership in the Grange and in several trade unions. He is presently a member of the State, County and Municipal workers. This is his first venture into politics, although he has been a life-long Democrat.

In the preceding twenty years have spent considerable time in construction and road projects throughout the north-west, both as a workman and in supervisory capacities.

NSCS Meeting

The regular meeting of the W.S.C.S. will be held on Wednesday, March 21. An executive meeting will be called at 11 o'clock, after which Mrs. Nettie Rickey will conduct a Devotional meeting.

The members are asked to bring potluck dinner for the noon luncheon.

The regular business meeting will be opened at 1:30 PM. Mrs. Lelia Gordon has charge of the program, and Mrs. Emma Lou Dodd has charge of the Devotionals.

The group wishes to announce a very interesting meeting for next Sunday evening at the Methodist Church. At 7:00 PM everyone is invited to hear Miss Kathleen Clancy, Missionary from India. She will speak on her experiences in Malaya and various parts of India. Miss Clancy was born in India. She is now attending Portland State College, and plans to return to Malaya to teach. She is a most interesting speaker.

RED CROSS IS CALLING - - - During Oregon and California floods, the Red Cross functioned smoothly and quickly. When walls of water came rushing down canyons, Red Cross came right after them. When homes were smashed the Red Cross held out a hand to occupants, gave them shelter. When food supplies became contaminated or were destroyed, the Red Cross rang the dinner bell. Each Chapter of the Red Cross knew what to do, and did it quickly and efficiently.

Cash was advanced for those without means, clothing, food and bedding came in truck loads from other chapters for unfortunates who needed one or all three. Red Tape was cut; decisions made on the spot.

The Red Cross is only YOU multiplied a million times. So have your check ready, a little more than you can afford.
