Viola News

The Viola Community Club held their regular monthly meeting after a bountiful potluck supper last Thursday. Forty-three were counted at the supper table with more coming afterwards for the meeting.

It was decided to hold a work-day on Saturday the 19th of May, to paint and repair the Community Club. The ladies of the Extension Club will decide upon the colors, at their regular meeting next Tuesday. This will be an all-day meeting and will be pot luck as it will be the last meeting of the year.

Next Sunday will be Booster Sunday at the Viola Community Church. Last Sunday evening visitors at the evening service were: Mr. Adolph Dinninger, Mr. Lee Lloyd and Mr. Kazui Kawamoto, of the Redland Church.

Mr. and Mrs. Walter Stone and Larry were Sunday visitors at the home of Ray and Bernice Miller.

Ray Miller has completely remade the piano bench for the Community Club, as well as repaired many other things.

Cascade Riders' Hold Trail Ride

Despite the cloudy outlook and dreary weather reports the Cascade Riders had a record breaking crowd for their Trail Ride last Sunday. Parking space was at a premium as Trailers and Trucks bringing horses and riders poured in. One hundred and thirty-six rode the Trail, many had slickers tied behind their saddles but it was not necessary to use them.

Lunch of Chicken Tamales, ham, baked beans, jello, veg. and potato salads, pickles, cake, coffee etc. were served at the half-way point in the trail, which was at the John McKenzie Ranch. Many drove cars in

and had lunch who did not ride.

There were many children who have never ridden before on a trail ride and as a result there was one accident. Parents should stress the fact that many horses will kick if the horse behind rides too closely upon the horse in front. Also it is only good trail manners to stay behind the leader in a trail ride and to have a safe distance between each horse in difficult trail points.

Will Play 4H Kids Friday

The Cascade Riders will play the 4-H Kids a game of Palmetto polo at the home of Mr. and Mrs. Envice Birscoe on the Redland Road Friday night. The nearest the Cascade Riders came to being beaten last year was when the 4H Kids tied them in a game.

There have been requests from Maine and New Jersey for the film the CCRCA took of the Pametto polo game. Also the 5 Spokane clubs have asked to have the film shown there and all five clubs will get together one night for the showing.

The Cascade Riders will hold a work day this coming Sunday with a pot luck dinner. Some of the other riding clubs have offered to help put the aluminum, which they have just purchased on the arena roof.

"RESTORE CONFIDENCE IN YOUR COUNTY GOVERNMENT"

THE WORLD WE RULE --- We are one of millions, yet each of us rule a world. While we do the most common tasks, it is important. It is the way we accomplish our task; our mental attitude toward it, the energy we put out, and the way we complete it which determines the failure or success of our domain.
The president of a great corporation says he first learned to rule himself. The mastery of self lead him to gather responsibilities, leadership and position of wealth. The young man standing before a minister with his soon-to-be-bridal can be a tyrant in the making or a wise ruler. A boy asking for a job is really asking to rule a small world; if he proves his worth and rules with wisdom, he will be happy. Start right now to rule your world as you would have someone else rule it.
