(By Margaret Ross)
Among this Friday's graduates at Estacada Union High School are three from Eagle Creek—Mary Paine, Virginia Schultz and John Woodcock. Three boys from Eagle Creek are graduating from Estacada grade school Thursday night: Howard Bess, Mike Carlson, and Milton Garrison.
Mrs. Mabel Paine of Cathlamet, has been visiting here for the past ten days with the families of her son Robert Paine and daughter Ruth (Mrs. Ember Wilson) as well as a brother Clarence O'Neil of Estacada. Special occasion for her visit was graduation of three of her grandchildren, Cecelia Paine and Michelle Wilson from Eagle Creek Grade School and Mary Paine from Estacada high school. Cristine Holbrook was taken to the hospital in Goldendale, Wash. on Wednesday of last week following a fall outside her home in Wishram. She suffered a broken shoulder and severe bruises and lacerations. Her daughter Sibyl Bailey went up to see her on Saturday.

Ed Reha has been in the Veteran Hospital in Portland since last Thursday suffering from paint poisoning. He and Earl Odell were spraying paint on Odell fence last week and both men are now hospitalized.

On May 2 E. Leroy Meyer with wife and daughter Evelyn attended the funeral of his brother Augustus W. Myers, late of Redmond and formerly of Jennings Lodge who died April 29.

Buy a Poppy For Remembrance

On Friday and Saturday, May 23 and 24, all of us will be asked to wear a little red poppy on our coats or dresses. The day will be Poppy Day, when, once each year, we of America pay tribute by wearing the memorial flower the little red crepe paper flower, to those who gave their lives in Americas service during the World Wars. As we receive our poppy from the women of the American Legion Auxiliary, who will distribute the flowers on the streets that day, we will be aiding the wars' living victims by the contribution we make for the flower.

The poppy comes to us from the fields of France and Belgium where the churning tide of war obliterated all touches of beauty except its brave red blooms. It comes to us from the shell pitted battle areas and from among the wooden crosses of the war cemeteries. There it was nature's tribute to the heroic dead, and here in America it is the tribute of patriots to those who made patriotism's highest sacrifice.

The crepe paper poppy you wear over your heart this May day of remembrance, may be ill fashioned and unskillfully made. Treasure it the more, because it represents the first faltering steps on the road back for some man who risked his life, so that you and I could keep ours. In many cases he has a family for which he was responsible before he offered his greatest gift to his country. He worries about his family and is trying to rehabilitate himself so that he may leave the white cot in the hospital and again take his place at the head of the table and say Grace with Thanksgiving.

The proceeds from the poppy, assist the American Legion Auxiliary in their hospital programs and the Child welfare program in the communities. Show the world you care and wear a poppy.
