

Action Films at Broadway Theatre

This week at the Broadway Theatre additional fare will be on hand due to the holiday break. Wednesday and Thursday only "TROOPER HOOK" with "THE HAPPY ROAD" "Trooper Hook" a western type picture starring Joel McCrea and Barbara Stanwyck, dealing with the subduing of the Apache Indian tribes. As he U. S. cavalry raze an Indian village they find one white woman among the squaws. The prejudice and lack of understanding regarding this woman make her turn to Trooper Hook for needed sympathy. The "Happy Road" is a rollicking story of two children who run away from school to be with their carefree parents. The father searching for his son eventually meets the mother who looks for her daughter. Their chase over the French countryside is hilarious and exciting.

Friday-Saturday only "Return of Warbow" with some of the west's deadliest outlaws—headed by Phil Carey. They return to a town where they had left their loot only to find the money had been spent. Plenty of excitement and action. Also "The Brothers Rico" with Richard Conte, Dianne Foster and Kathryn Grant. A story with plenty of action and suspense.

Sunday through Tuesday, Ernest Hemingway's "Farewell to Arms" starring Rock Hudson, Jennifer Jones and Vittorio De Sica. The epic story of two lovers fleeing the furies of war. One of the great pictures of our time.
