**CURRINSVILLE**

Mrs. Nellie Currin  
Mr. and Mrs. Lawrence Looney  
went to Portland Saturday  
to bring Mrs. Rosa Looney  
home from the hospital where  
she has been for almost a  
month following a heart attack.  
She is currently staying at the  
home of her son Lawrence  
and wife June who are caring  
for her. Eva Looney a grand-  
daughter has been looking after  
Coyd Looney since his  
wife was in the hospital.

The rain seems to have ruined  
all the hay that was cut be-  
fore this rainy spell. Otherwise  
it was wonderful for the berry  
growers.

The walnut trees have almost  
as many nuts a leave on them  
this year.

Having supper with Mrs. Cur-  
rin on Sunday evening were  
r. and Mrs. Dave Eshelman  
and Mrs. Mollie Bates.  
The Eshelmans spent the day  
at the Mt. Hood Golf course  
earlier where the local golf  
fans had a tournament. Among  
those going from here were the  
Bob Jones family, the Ted Kig-  
nis, Vic Kitching, Frank Walter  
Jerry Hale returned from a  
two weeks stretch of national  
guard duty on Saturday.

**A MAN-MADE MIRACLE**

The Salk vaccine is a modern  
miracle—for those who use  
it. But for Salk vaccine,  
thousands of men, women and  
children now walking, running,  
playing and working and work-  
ing would be in hospitals and  
treatment centers trying desper-  
ately to regain the use of  
ruined arms and legs. These  
people are still sound, whole  
human beings because they pro-  
tected themselves against polio  
paralysis by three shots of vac-  
cine.

Actually, there is nothing  
miraculous about the Salk vac-  
cine. The vaccine introduces in-  
to the blood stream tiny doses of  
polio virus so weakened that it  
can no longer cause paralysis.  
But this "killed" virus still has  
enough pep to produe the anti-  
bodies that fight back against  
the polio virus.

Then when the polio virus  
enters the body, the antibodies  
go to work. The result might  
be at worst a slight fever or  
a slight sore throat and, after a  
day or two, the system is back  
to normal. The antibodies have  
won the fight against the dead-  
ly little virus.

The miracle of the Salk vac-  
cine is a man-made miracle. It  
was made by men who delved  
deeply into nature's myster-  
ies to find out what caused pol-  
io and then used nature's own  
protective forces to combat the  
crippling so often caused by  
the disease in the past.

Mr. and Mrs. Fred McNally  
returned Sunday from a trip  
to Denver, Colorado, where  
they spent ten days visiting  
Fred's mother.

Mr. and Mrs. Bob Lauder-  
back of Boise, Idaho, are spend-  
ing the week with Bob's moth-  
er, Mrs. Lillian Lauderback,  
and other relatives.

Mr. and Mrs. Malcolm WOOD-  
dle of Troutdale and Mr.  
and Mrs. Johnny Eilers of Glen-  
dale, Calif. were guests of Mrs.  
Armeda Woodle Sunday.
