## Grass Growers' Meeting Planned at Springwater; Among Other Activities

By Anne Justice  
Springwater Grange members considered several important issues Saturday evening when they met for the July business session. Present officers were M.F. Ott, gatekeeper; Sue Aycock, Flora; Lena Millard, Ceres and Ray Miller, executive board.

Everett Shibley, chairman of the agricultural committee, said a grass growers association was being recommended for Clackamas County and a meeting might be held in the Springwater Grange hall to make plans. Elwin Shibley brought a fine healthy specimen of tansy ragwort to remind folks of its appearance and characteristic odor. He also brought a book he had compiled in college with more than 100 native weeds mounted and catalogued.

The legislative report by chairman A. T. Varitz described the rejoicing in Alaska when Congress voted statehood. Richard Guttridge read a portion of a column by Ernest Lindley on the Adams-Goldfine cast. Lindley stated that gifts made to people in high official positions should be publicized.

No meeting of the Home Ec. Club will be held until Sept. when the hostess will be Mrs. James Hamilton, Clackamas. Cakes for McClaren Home for Boys will be made in August by Mrs. M. F. Ott, Mrs. W.F. Miller, and Mrs. Everett Shibley.

Under community service the secretary was instructed to write to the county court asking several additions to the newly acquired park area. At present the water system has failed so there is no water in the picnic ground and the caretaker has to carry water from Clear Creek for household use. One day recently

62 cars visited the park and another time 52. Carl Illig, chairman of the Youth committee asked Joe Guttridge to report on a panel discussion at State Grange where he had acted as moderator with four prominent young grangers as speakers. Mrs. Everett Shibley said the children had voted to recess for July and Aug. and convene again in Sept. Mrs. Shibley with her son John and Tom Stroeder, Master of the Juvenile Grange attended State Grange at Eugene and John made reservations to attend Skyline Camp near Bend July 21 to 26. The Juvenile grange has been promised new drapes for their meeting room and new window panes to replace those broken by BB guns and rocks from an unknown source.

The Chaplain, Vernita Gant, reported new grand daughters for Mr. and Mrs. James Smith and Hugh Marshall. Fred Moford and Clarence Jubb, recent hospital patients now recovering in their homes and the marriages of Jack Chaney to Ramona Schweitzer and Richard Hess to Alice Lanier were reported; also Mr. and Mrs. Horner now have two great grand sons.

Springwater Grange has reserved space for a booth at the county fair with Mrs. M. F. Ott as chairman of the committee to prepare the exhibit. Dodge 4H clubs thanked the grange members M. F. Ott and Del Gant who loaned their pickup trucks for their appearance in the July 4 parade at Molalla. Dodge Community clubs wish to extend special thanks to Bill Wagner who acted as Good Samaritan when Pat Dougherty was taken ill after the July 4 parade at Molalla. Bill turned his station wagon into an ambulance to take Pat to Oregon City hospital.

## Error Not Found in Our "Find the Error" Contest so \$20.00 Prize Posted

The mistake of last week was in the ad of Miller Chevrolet Service on the back page. As nearly as we know, the "error paper" went to someone on one of the Estacada rural routes. Woody Miller says that whoever still finds the mistake, he'll pay up their subscription to the NEWS for a year.

Now, this week's error is worth \$20.00 and some observant person should find it. Our advertisers are happy to award you your prize of \$20.00 - read the ads carefully.

The considerable interest shown in the contest kept advertisers with minor undesigned mistakes busy answering questions. Remember, there is only one paper mailed with the intentional error. Any other errors do not qualify you for the contest prize. Rules of the contest are as follows:

Continuing in this paper, your "News" is conducting a "Find the Error" contest. A deliberate mistake of price or text, or both, has been placed in one ad which will be in both your paper or shopper. This paper is being mailed at random. You will have to check all the ads carefully to find the "planted" mistake. When you find what you think is the right mistake, take your paper to the firm in whose ad it appears and you may take advantage of the error in price if to your advantage. You will also receive a cash prize of \$20.00 this week.

The mistake must be reported by 5 p.m. of the Saturday following the date of this paper. If the prize is not claimed, it will be added to the next week's prize. A duplicate paper showing the "mistake" will be posted in the News office window.
