William H. Thompson, electronics technician first class, USN, son of Mrs. Fred Bebbertness of Estacada, is serving aboard the guppy type submarine USS Volador operating out of San Diego, Calif.

Our favorite all time classified ad is the one submitted by a magnificent optimist who at age 80 had just married a 56 year old bride, and then advertised to a house to rent 'near a school.'

Mr. and Mrs. H. M. Phillips of Buckley, Wash. and Mr. and Mrs. Wm Argo and family of Seattle visited two days at the

Willard F Goodman home. They all attended a reunion picnic, which is a yearly event, at the Keith Phillips family home at Neahma. Mr. and Mrs. R. D. Phillips also attended the picnic.

The Don Fowler family, former residents of this community, now living at Prinville, are showing considerable interest in our Find the Error contest. We are glad to hear from the Fowles even though the error they found was not the right one.

Mrs. J. C. Rickey accompanied Mr. and Mrs. Gilbert Rickey of Portland on a trip to Big Lagoon in Northern Calif. to

visit the Ray Rickey family. They left in the early morning hours on Saturday and returned late Monday eve. They very much enjoyed the trip through the big redwoods and also seeing the big elk along the road. The weather down there was just right. The Ray Rickeys moved there last April when Ray was made assistant logging manager for Georgia Pacific Plywood Corp. in that area.

Mr. and Mrs. David Nelson and three children of Salem visited at the home of Rev. and Mrs. Milton Nelson Sunday eve and Monday morning. They left by train for Illinois on Monday afternoon for a months visit with relatives.

VACATIONING IN CANADA

Rev. James O. Moore and family have returned home after vacationing in Victoria, B. C. Upon their return they found their home newly cleaned and decorated by members of the Estacada Church of God of which Rev. Moore is pastor. Also the church presented the family with a love offering upon their return.

During their trip they visited with Rev. Ernest Hemenway the pastor of the church in The Dalles. Here they viewed the results of the contribution which the Vacation Church School sent to The Dalles last summer.

The Estacada Library Association met July 26. Present

were Betty Dnnlop, Mrs. Thelma Eckersley, Mrs. Ada Dayton and Mrs. Gerry Price. In June a total of 674 books were checked out of the library. Mrs. Phillips and Mrs. Oswald renewed their membership for another year.

The librarian Mrs. Dayton, will be on vacation from August 4th through August 23. Anyone wishing to take out books for that period should remember to do so by Saturday, Aug. 2nd. Books may be returned during the vacation time by using the book drop and there will be someone in attendance at the library to check books in and out for the Read-A-Book Club members during Mrs. Dayton's vacation.

There will be a Read-A-Book Club Get Together, on Monday, August 4 at 2 PM at the library. There will be discussions of the books they have read by those who wish to tell the others about them and there will of course be refreshments.

"Married men may not be the best informed people, but they certainly are the most."
