DEEP WITHIN a mountain in southwestern Missouri, freight cars wait unloading of civil defense equipment to be stockpiled there for use in case of enemy attack. The siding, extending 600 feet into the mountain, can accommodate 16 railroad cars simultaneously. The Office of Defense and Civilian Mobilization facility, part of a limestone mine, contains a vast array of medical supplies and 'hardware' to be used in recovery operations in the event of an attack on the United States. (Courtesy Southwestern Limestone Co.) tack on the United States.

> She lives in this section and she believes she should be made 'a horrible example' as a warning to others. The whole family used aspirin and it was kept all over the house where it was handy to get at One day she had a headache out in the milk shed and reached for the From then on she took severai tablets before she sat down. Then she tasted the pill in her mouth and it wasn't aspirin. She rushed back to the place she got it and discovered she had plant food tablet on which was printed on the wrapper "Each tablet is equal to one shovelful of manure."

School will start in about 3 recks which should make all the kids happy. While teaching at Malalla she asked one of the boys in her class to tell the meaning of the word"unewares" He responded very quickly "Its the last thing I take off at night." He didn't return his report card and the teacher asked where is was. "Its this way." pereplied I got A in something and all my relatives in this country wanted to see it." I has been suggested that the following sign be painted on all the school buildings: "This is a partition, not a petition. No signa-tures required."

The visitor was unusually en thusiastic about the beautiful and rich farm belt which lies around Estacada. "What a pretty sight!" he exclaimed "to a farm wite living in the area." 'Maybe' she replied "but if you had to plow it, harrow it, cultivate it, hoe it, mow it, fence it and pay taxes on it, it might not look so

It is mighty good news to hear from good authority that the horse is coming back and it will be mighty good to see a horse again. A lot of us will cry with (joy?) to see Larry Meade once more riding one.

Jimmy Quinn has been collecting horse pictures for quite a time and has a very good collec-ion of them. He has one that is net a horse. It is a cow along with some children who are telling their aunt nearby that a bossy has been named after her. One of these days Jimmy is going to have a horse of his own.

This is the masterpiece of the whom have a secret box will appreciate it:
