Much Activity Noted at Estacada Veneer Plant

Things are humming out at Estacada Veneer. The above picture shows part of the log truck in a small part of the pond. This shows about 10 percent of the available pond space and the pond is being increased to more than double its present capacity with

plans for an additional increase west and south of the plant building with building space being allowed for more plant. There are presently 29 men employed on a one-shift basis according to Bill Carson, plant manager. A chipper has been in-

stalled and is in operation. If the plywood market holds, it is possible this will become a full-scale plywood plant by next summer. (This is rumour.) The Ralston Lumber Co. is in process of making mill improvements and has 12 men on the payroll.

Fire Chief Urges Citizens Practice Fire Prevention

At the regular meeting of the Estacada Volunteer Firemen Chief Rudy Sagner cautioned the men in the department to be alert for any emergencies which might prevail during the coming fall days.

The citizens of the community should practice extra care in home safety as they will be using more heating elements which might not be properly cleaned and functioning.

Chimney flues are of most importance because of their standing all summer not in use and haven't been checked too close. Also defective wiring in many household appliances are another danger for a fire.

Our community has been very fortunate this year to take care and be on the alert to choke off the immediate emergency. Cooperation of the citizens is the prime concern of the local department when meeting these situations.

Also at the Monday meeting, discussion pro and con was held on the purchasing of the new city fire truck. Chief Sagner outlined in a detailed report just what the new truck would be equipped with.

The new tanker truck ordered by the rural board is being outfitted and should be in service within our fire district at the end of the month.

15 men were in attendance with President Frank Marshall on duty. An entertaining film followed the adjournment and the serving of refreshments.

Work Starts on New Commercial Buildings

Work is started on the new Rynning Drug Building on the corner of Broadway and S.W. 3rd. Del Nordquist has the contract for the building which will be of block construction with a brick

front. The City grader is shown readying the ground. We did not get a picture of the start of work in the new Sportsman Club which started two weeks ago. Work is progressing

under the direction of Jim White. This will also be a block building and will match in with the Estacada Electric. Besides the cocktail lounge, a fine restaurant is being installed with banquet facilities.

State Sanitary Authority May Site City to Abate Sewer Pollution in Clackamas

In newspaper articles off the press this week it is noted that the Oregon State Sanitary Authority is quoted as preparing a citation to be delivered to the City of Estacada ordering the City to abate the sewage pollution claiming to come from the disposal plant and emptying into the Clackamas River.

In December of 1955 the State Sanitary Authority wrote the city recommending improvements to be made which were based upon their observations at that time. This letter calls attention to the present condition of the disposal plant: "It was built in 1936 and was designed to serve a maximum of 800 persons and that now it is estimated to be serving approximately 1400 and that the existing sewer pipe lines receives street and storm water drainage. This should be corrected by the installation of separate storm sewers, and that as of this date, a competent consulting engineer be retained to make a detailed study of the existing sewerage facilities for the purpose of designing and estimating the construction cost of the necessary enlargements or improvements including the proposed installation of secondary treatment units."

In response to this request the city obtained a list of qualified engineers from the State Sanitary Authority. From this list, in February 1956 Carl E. Green & Associates were retained for the specific purposes as outlined by the letter. Mr. Green's office required all data covering the

present system, the financial statements, the ordinances pertaining to sewer charges, the bonded indebtedness and the bond retirement schedules. Being advised of the cities actions the State Sanitary Authority requested that a preliminary survey be made.

During the year 1957-58 the Mayor and the Council have made rapid progress in the study of storm water drainage, sewer treatment plants and ways and means for the city to finance construction. Every available Federal and State aid has been given consideration. To date the financing problem is a major one. There is on file in the Recorder's office the correspondence and information covering these items. In regards to the cities position, we like the remarks of Portland's Mayor Terry Sclarunk, quote "We don't contribute all or nearly all of the pollution, but we do recognize there is a problem and our efforts to solve it have been restricted only by lack of money."

We attended a sewer discussion meeting held by the Estacada City Council one week ago and were surprised at the mass of material that had been investigated and screened. Carl E. Green attended this meeting and as of the 17th of October he informed the State Sanitary Authority of the progress made to this date. We further observed that the council members are seeking the most efficient methods of disposal and at a cost that can be financed.

WORLD WAR VETS PLAN TURKEY FEED NOV. 11TH

Veterans of World War I, Estacada Barracks No. 1272 met in the VFW hall at Currinsville on Oct. 14th with a good attendance. At this meeting it was decided that on Nov. 11th at 6:30 PM we would have a pot luck supper in the VFW hall for all Veterans of World War I. The turkey will be furnished by the Barracks. From 12 noon on that day there will be a Sailor breakfast free for all World I buddies.

We plan to have our regular meeting after supper on Nov. 11. Come and bring a buddy with you. Anything you can bring to eat will be welcome. Fred A. Marshall, Junior Vice Commander

Highway Accident Near Eagle Creek

By Margaret Ross
An unfortunate mishap occurred on the highway just north of Eagle Creek last Monday afternoon when an 11 year old girl was thrown to the pavement as her bicycle was struck by a passing car. Geraldine Wyatt, an Eagle Creek sixth grader, riding along the right hand side of the road, suddenly turned into the path of the northbound car. Driver Joe Nixon, swerving sharply to try to avoid hitting the bike, skidded and overturned his car into the ditch adjacent to Millard Trullinger's property. The girl was taken by ambulance to her home, but reportedly suffered only a severe head bruise. Nixon's wife and daughter, passengers in the car, suffered minor cuts and bruises. Nixon is a truck driver for Estacada Veneer Co. mill. The Wyatts moved to Eagle Creek last June and bought the former Quentin Cook place.

Action Films at the Broadway

Now playing at the Broadway Theatre, a top notch western in Cinemascope and color "CATTLE EMPIRE" with Joel McCrea, Gloria Talbott and Don Haggerty. A western that will please all. Second feature, the trucks on the highways travel "PLUNDER ROAD" with Gene Raymond, Jeanne Cooper and Wayne Morris. An exciting story full of action and suspense from start to finish. Starts Sunday through Tuesday - Robert Mitchum and his son Jim in a wild mountain yarn with the hottest merchandise, hauled in the hottest cars ever to careen down a twisting road known as "THUNDER ROAD." Filmed in the mountains of North Carolina where moonshine is made. A film that is packed with thrills and action which reaches an all time high. Coming next week "The Badlanders" with Alan Ladd plus "The Adominable Snowman of the Himalayas" with Forest Tucker.

Progress Report on U. F. Fund Drive

The United Fund committee reports that to date they have received \$410.00 in contributions from the local business firms.

A kick-off was held Oct. 16 to start residential soliciting, which will be completed by Oct. 31. Any contributions made will be appreciated by the various agencies listed below: Arthritis & Rheumatism Foundation, American Cancer Society, American Red Cross, Boy Scouts, Camp Fire Girls, Girl Scouts, Mental Health Association of Oregon, Oregon Heart Association, Oregon United Appeal, Salvation Army (includes White Shield Home), Young Men's Christian Association, Administration and Campaign.

County Home Economics Head Talks at Current Springwater Grange Meeting

By Anne Justice
Springwater Grange was host to Mr. and Mrs. Jack Butler of Oswego Grange at their October meeting. Mrs. Butler is Home Economics chairman of the Pomona Grange and was making her official visit. She was escorted to the Master's station by the Assistant Stewards, Fred Horner and Jeanne Illig and Steward W. F. Miller. In the absence of the agricultural committee chairman, the agricultural report was given by James Hamilton, who described a move toward making more informative and complete records a bigger factor in judging FFA and 4-H projects, and told about 'styles' in meat buying. Buyers now know that a good looking animal does not necessarily produce tender meat.

The legislative report was given by A. T. Varitz who told of the defeat of the bill calling for remodeling the Estacada high school building. Our county court house staff wants a shorter work week, but is finding some obstacles to the idea. Everyone is urged to vote at the November election.

The Health and Safety Report was read by Mrs. M. F. Ott from the Coronet article, "Physical Checkup."

At the luncheon recess Happy Birthday was sung to Hugh Marshall, Sadie Westman, Jeanne Illig and Jack Butler.

The lecturer's program was under the direction of the Home Ec Club and proved very inter-

Local Theatre Sets 'Commandments'

Cecil B. DeMille's production "The Ten Commandments" the mammoth dramatization of the life of Moses, will open Nov. 5th at the Broadway theatre.

Cast with over 25,000 players the Vista Vision, Technicolor colossus stars Charlton Heston, Yul Brynner, Anne Baxter, Edward G. Robinson, Yvonne De Carlo, Debra Paget and John Derek. Starring also are Sir Cedric Hardwicke, Nina Foch, Martha Scott, Judith Anderson, and Vincent Price in key roles, with a large and distinguished supporting cast of top liners.

Filmed in part in Egypt on the shores of the Red Sea, in the Sinai deserts and on the slopes of Mt. Sinai, ten years in the making, the three hour, 39 minute Paramount film backgrounds the story of Exodus with spectacle of a dimension that is history-making in scope.

First Upper Clackamas River Chamber of Commerce Lunch Meeting Apathetic

The first noon luncheon of the Upper Clackamas River Chamber of Commerce was held at the Estacada City Hall Monday noon. Tom May had places set for an attendance of 50. Despite the advance ticket sale, 20 people were present. Vice-President Ernie Rynning officiated in the absence of President Len Verburg.

Howard Smith reported on the sign that is to be erected at the 82nd Ave. intersection at Clackamas directing folks to the Upper Clackamas River Recreation Area. This is a double-faced carved sign. It should be in place within the next two weeks.

P. T. A. Acts on Various Projects

The Estacada P.T.A. met at the high school last Thursday evening with Mrs. Betty Carnes, vice-president, presiding. Invocation was given by Rev. Milton Nelson.

Mrs. Allyn Price, health chairman, asked for volunteers to drive children to Portland who cannot be taken care of in the Well Baby Clinic.

A motion was passed to take money from the miscellaneous fund to buy raincoats and mittens for the safety patrol. Mrs. Jack Lacey reported that \$267.75 in savings stamps have been sold. Mrs. Walter Graven reported that 40 teachers have joined the PTA and only 69 parents are members. The membership committee will take the school census the last week in October.

Mrs. Earl Eckersley stressed book week which will be from other folks had about the same Nov. 2 through Nov. 8. She also opinion.

gave a report on the library services which are available.

Bill Bruguiet, cub scout leader, stressed need for den mothers.

Speaker of the evening was R. E. Jackson, chairman for the state tuition scholarships. Mr. Cody read a letter from Anna Marie Moore, who was ill and unable to attend. She told in her letter how much her scholarship meant to her.

The meeting adjourned and the following women from Eagle Creek and Barton served refreshments of cookies, coffee and punch - Mrs. Bill Wymore, Mrs. James Bomatti, Mrs. Henry Suter, Mrs. De Vere and Mrs. Glen Zuber

Bob Storey is home after a tussle in a hospital. Here's good wishes, Bob. In those days when you were busing kids to school you was a great favorite among them all, including their teachers and their parents, and Nov. 2 through Nov. 8. She also opinion.

Rynning Drug Burglarized Again

All thieves are not as considerate as the one who robbed Rynning Drugs early Tuesday morning. Sometime between 3:30 and 5:30 A.M. someone carefully removed the pane of glass from the front door and set it inside. They took about \$300 worth of wrist watches but left one on each card. They rifled the cash register but left \$1 in it. Other than the watches and a small amount of money there did not seem to be anything else missing.

BAKED FOOD SALE AT NEWS OFFICE SATURDAY

The Church of Jesus Christ of the Latter Day Saints will hold a food sale in the office of the Clackamas County News this Saturday, October 18.

THREE LYNX PTA WILL SPONSOR HAM DINNER

There will be a ham dinner at Three Lynx Wednesday night from 5:30 to 8:00 sponsored by the Three Lynx PTA. It will be a treat well worth the trip. The charge \$1.25 for adults; 60c for children and free for those under four. Come and have fun.

REBEKAHS WILL HAVE FUN NIGHT, OCT. 29

The Rebekahs will have a Fun Night, Oct. 29. This will be a Hard Time party. Della Ewalt will give prizes for the best dressed man and the best dressed woman. All Rebekahs are invited and are asked to bring mince or pumpkin pie. Please come and bring a friend if you wish.

HOLLOWE'EN PARTY AT VFW HALL OCT. 25

Harry Randall Post No. 6879, V.F.W. is sponsoring a Halloween Fun Party at their hall in Currinsville October 25 at 8 P.M. Bring your families in costume or not, to our fun party. Come bob apples, play bingo, etc. Dancing later. Free lunch at midnight. ALL FOR FREE. Be seeing you there.

RED CIRCLES?

We're happy with the response from you folks in bringing your subscriptions up to date. Those of you who are still getting the red circle, if we are in error let the office know - or come in with your renewal. If you do not feel you can afford to renew now, let us know, and we'll rid you of the circle and you may pick up your balance when convenient.

It Pays to Read Our Ads - They Have a \$40.00 Message in this Paper

A. P. Pearson of Eagle Creek, Route 1, overlooked the error in his paper in the Broadway Theatre ad last week so here we are, back at \$40.00.

This week's error - takes finding - \$40.00 and some observant person should find it. Our advertisers are happy to award you your prize of \$40.00 - and take a snapshot of you. Remember, there is only one paper mailed with the intentional error. Any others do not qualify you for the contest prize.

A deliberate mistake of price or text, or both, has been placed in one paper or shopper which is then mailed or delivered at random. You'll have to check all the ads carefully to find the "planted" mistake. When you find what you think is the right mistake, take your paper to the firm in whose ad it appears and you may take advantage of the error in price if to your advantage. You will also receive the \$40.00.

The mistake must be reported by 5 p.m. of the Saturday following the date of this paper. If the prize is not claimed, it will be added to the next week's prize. A duplicate paper showing the "mistake" will be posted in the News office window
