## News Subscription Campaign Swings Into High Gear This Coming Week

Candidates in the Clackamas Co. News subscription campaign have shown such interest in the extra cash prize which was offered last week that a second cash prize was announced today by B. L. Denton, campaign manager. The new \$10 cash award will go to the candidate in either district who turns in the most points on subscriptions—either new or renewal—from now until the campaign closes at 6 p.m. Saturday, December 13.

Candidates and subscribers are urged to read the advertisement on page 6 to be sure all details of this offer are clear. The new prize is in addition to the bicycles and cash awards listed earlier in the campaign. Interest in the campaign mounted rapidly this week as parents and subscribers from the various neighborhoods and communities got behind their candidates to help them win the best prizes and highest honors.

Increasing numbers of subscribers are calling at the office and paying their subscriptions to the credit of their favorite worker.

Workers receive full credit for any subscription mailed or brought to the office. Subscribers are urged to name their choice of workers when the payment is made.

Pictures of the workers and comparative vote standings of each appear on this page, and these will set the pace for the final week of enthusiasm among the boys and girls.

## THREE LYNX PTA HEAR ABOUT JORDAN ARABS

The Three Lynx PTA was introduced to the Arabs of Aman Jordan by Clyde Walker at the monthly meeting Nov. 20th.

Mr. Walker who lived in Aman for 2 years while employed by the U.S. government, gave an informative, witty presentation of life in Jordan. He showed the necessity of our being well informed about affairs in the Middle East since we are much closer than one might think. It takes about the same time, two days, to go from Portland to Aman by plane as it takes to go from Portland to Chicago by train.

The talk, illustrated by colorful slides was clearly the most outstanding in this year's calendar thus far.

Prior to Mr. Walker's address, the regular meeting was held. After a salute to the flag and some group singing led by Mrs. Ted Haneberg, Mrs. Clyde Barnes, pres., conducted the meeting. Minutes were read and approved by Mrs. Worthington and the report of the returns on the ham dinner held in October were given by Mrs. E. Jones. Plans were made for caroling in December and a clothing drive for the "Save the Children Federation" was announced. It will be conducted by the school children.

The December meeting and Christmas program were announced. It should be a very special night since the men of the community are taking over. It will be December 11 at 8 P.M.

The Three Lynx PTA wishes to express special thanks to Mr. and Mrs. Rynning and Mr. and Mrs. Dave Horner for coming up the river to the ham dinner held in October. Their patronage was certainly appreciated and their presence added much to the enjoyable time had by all.

## Local Kids Rate State Champ

John Woodcock, 165 pounder from Estacada, scored a 2nd round K.O. over Larry Smith and a hard fought decision over Larry Snyder to win the state 165-lb. AAU Novice Championship.

Woodcock showed a sharp left jab which rocked his opponent many times. With a little more training much is expected from this 165 pounder from Estacada.

Rugged little Ralph Mabee was by far the tournament's sharpest looking fighter as he scored a easy TKO win over willing Don Galle of Longview for the 119 lb. title. Galle who tried hard to make a fight out of it could not keep up with the terrific pace set by Mabee. Ralph is a firm believer that fighting for real is a lot easier than some of the sparring sessions he has with young Jerry Rehgein who has done a lot to help him on his way.

Trainer Fred McNally received many compliments on the showing of his fighter. McNally now has three fighters, all three champions in their weight division. All these are expected to fight Dec. 6th in Portland.

Mr. and Mrs. Dan Woods spent Thanksgiving day at the home of their son and family. Mr. and Mrs. Phillip Woods of Portland.

## Action Films at Broadway Theatre

Now playing at the Broadway Theatre an exciting western filmed in Cinemascope and technical "GUNMAN'S WALK" stars Van Heflin as the violent, picturesque cattleman with his two sons, one like himself, the other played by James Durren is a mild mannered gentle youth hating the cruelty of the other two. A real western thriller, full of surprises.

Second feature is a masterpiece of suspense with Richard Todd, Anne Baxter and Herbert Lom "CHASE A CROOKED SHADOW" When a brother\* who has been dead for 12 months suddenly walks into his sister's house—he can be nothing but an imposter. Even the police can not find proof that he is not what he claims to be. He even has the same fingerprints. A picture that makes mystery history. You're on your own to unravel it.

Starts Sunday through Tuesday, on the wide Cinemascope screen comes the wildest blue battlefield in a sky-sized saga of the jet age with "THE HUNTERS" with Robt. Mitchum, Robert W. Wagner, Richard Egan and May Britt. With the locale in battle torn Korea the flying and battle action keeps this film moving fast with interesting bits of humor. Actual scenes from the Korean countryside.

Next Wednesday—Clint "Cheyenne" Walker in "FORT DOBBS" plus Anthony Quinn in "ATTILA"
