To be rich in admiration and free from envy; to rejoice greatly in the good of others; to love with such generosity of heart that your love is still a dear possession in absence or unkindness — these are the gifts of fortune which money cannot buy and without which money can buy nothing. He who has such a treasury of riches, being happy and valiant himself, in his own nature, will enjoy the universe as if it were his own estate; and help the man to whom he lends a hand to enjoy it with him.

No "narrow-gauge" car hugs the road like PONTIAC!

The wheels are moved out 5 inches for the widest, steadiest stance in America.

Road-test the only car with Wide-Track Wheels

Behind the wheel of a Pontiac you enjoy a feeling of security you've never known in all your years of driving. With the widest stance on the road and a low, low center of gravity, Pontiac clings to the curves without lean or sway. And the same great advance gives Pontiac a decided edge over other cars in the way it smooths the bumps and holds straight and true against crosswinds. Try it and see!

Sportable Transistor Radio is removable from glove compartment for use as self-powered portable. (Optional at extra cost.)
