Viola Happenings

LaFaye Fouts
Mr. and Mrs. Donald Graham held a Get Acquainted party for their two nieces, Gertrude and Nettie Ann Graham, who have come to make their home with them Jan. 10. The girls have been attending Jefferson High in Portland and are both sophomores. A number of the young people of the valley attended and enjoyed games and refreshments. The Community was saddened by the sudden death of Lloyd Rash recently by a heart attack. Mr. Rash has lived here for a number of years and had nearly completed work on a new house. He has been working for Kaymeyers for sometime. Funeral was held in Milwaukie and interment at Redland cemetery.
Rev. and Mrs. Verne Renaud had dinner and spent the evening

at the home of Mr. and Mrs. Stanley Fouts recently.
The Viola Community Church Basketball team is taking part in the games held on Tuesday at the Estacada Grade School. Terry Tracy is captain for the year. Playing on the team is Fred Riedel, Herb and David Smith, Gary Fouts, Harold Olsen and Neil and Terry Edwards.
A number of parents in the vicinity of Redland, Viola and Logan feel that La Skinner, Mr. and Mrs. Elmer, and the many others who go to all the trouble for the Juvenile dances held once a month at the Harding and Logan Granges deserve a big hand. Seventy-five couples of children under 16 completed work on a new house. He has been working for Kaymeyers for sometime. Funeral was held in Milwaukie and interment at Redland cemetery.
The dances are to be held once a month and children from 8 to 16 can go without parents, but par-

ents are invited to stay. However, all children under 8 must have a parent accompanying them. Potluck refreshments are served at 10 o'clock before the parents pick the children up.
Sunday afternoon guests at the home of Mr. and Mrs. Gelbert Fischer recently were Mr. and Mrs. Ernie Grellert and family of Portland. The Fischers have added two bedrooms to their upstairs and are redecorating the downstairs.
Clarence Cross returned Sunday from Fort Lupton, Colo. where he has been visiting his parents. Last year he went by plane but this year he drove. He left New Years day.

It could become a spiritual force that no world power, however sinister, could stop.
The way the project works, you get a bookmark from the American Bible Society, 450 Park avenue, New York 22, N. Y. You pay nothing for it, incidentally, and you will not be asked for a contribution.
On the bookmark are listed daily readings. They are without note or comment, which means that a person of any faith may follow them and may use whatever version or translation of the Bible he prefers.
Like I said, I am not a preacher, and I guess I would not be a very good religious editor.
But I recognize a good thing when I see it.
This is a good thing.

FANCY THAT! by WALDMAN

Earliest church steeples date back to 3500 when Sumerians erected "Ziggurats" - mountains - as homes for their gods.

The familiar steeple of the Notre Dame in Paris is an unsurpassed achievement of early Gothic architecture. Though its cornerstone was laid in 1163, it wasn't completed until 1230 - 67 years later.

Many church steeples are now made of stainless steel. Developed by 20th Century steel makers, this handsome metal combines the technical progress of today with the dignified beauty of the past.

Take this page with you when you go to look over the '59 cars ...

If you get the FACTS you'll get a Ford!

This check list will give you a few very important things to look for before you're swept off your feet by any 1959 car. You'll find that few cars can hold a candle to the 59 Ford when it comes to the things that make a car lovely to live with and lovely to look at.

59 FORDS THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

- | | | |
|---|----------|-----------|
| 1. Does it have sufficient insulation? (Check by rapping knuckles on the headlining) | YES FORD | other car |
| 2. Does it have a full-depth springing in center of rear seat? (Bounce to prove) | YES FORD | other car |
| 3. Are the door openings extra wide for easy entry? | YES FORD | other car |
| 4. Is the driveshaft tunnel low enough to let center passenger be comfortable? | YES FORD | other car |
| 5. Are feet of rear passengers cramped into deep well? | NO FORD | other car |
| 6. Are headlights high enough for sufficient protection and best illumination? | YES FORD | other car |
| 7. Are front seats high enough to keep you comfortable on long trips? | YES FORD | other car |
| 8. Is there sufficient rear seat knee room? | YES FORD | other car |
| 9. Do front seats have foam padding in model you're considering? | YES FORD | other car |
| 10. Does ride adjust itself to varying road and load conditions automatically? | YES FORD | other car |
| 11. Does increased glass area mean increased heat and glare? | NO FORD | other car |
| 12. Is the luggage compartment easy to get at? | YES FORD | other car |
| 13. Does the car you're considering use regular gas with standard engines (thereby saving up to \$1.00 a tankful)? | YES FORD | other car |
| 14. Is the car you're looking at the lowest-priced car of its type among the full-size cars? | YES FORD | other car |
| 15. Does the car you're considering give you, at no extra cost, a Full-Flow oil filter so you need change oil only each 4000 miles? | YES FORD | other car |
| 16. Is the muffler on the car aluminumized to last twice as long as conventional mufflers? | YES FORD | other car |
| 17. Can body finish be cleaned without harm, with regular car-finish cleaners? (New Diamond Lustre Finish never needs wax) | YES FORD | other car |
| 18. Does the car you're looking at offer a truly modern six (vs. 30-year-old design)? | YES FORD | other car |
| 19. Does the frame sweep out at sides to protect all passengers? | YES FORD | other car |
| 20. Does the roof have at least 5 cross braces? (Many have only 3) | YES FORD | other car |
| 21. Does the car have a 3-spoke deep-dish steering wheel that protects your chest from possible injury? | YES FORD | other car |
| 22. Are the front seats anchored to the frame (vs. to body floor)? | YES FORD | other car |
