Local Lines.

Best plow on earth The Oliver. F. L. CHAMBERS has them.

Died, Mr. W. J. McMeekin at Harrisburg last Thursday.

Pitts Orchard cultivators good and low prices at F. L. CHAMBERS.

A V May who was charged with stealing a bicycle at Eugene and taken to Portland was found over in the sum of \$3000.

Go to Iren's grocery store on Willamette, between 9th and 10th Streets.

Melinda E Stricklin has sued her husband, Felix A Stricklin, in the Lane county courts for a divorce.

Spray your trees and you can have good apples and good price.

Our readers will be glad to learn that Hon J M Stafford is measurably recovered from his injury recently received from a runaway accident.

Last Saturday the thermometer registered two below zero the coldest weather experienced in Webfoot for some time.

Died: Monday morning February 6 in Eugene of droupy, Louis Deiss. Mr. Deiss resided for many years near Siuslaw post-office, in Lane county and was a good industrious citizen.

J R Shepard, of Zona, Polk county, has returns from a car load of dried fruit sent east; 18,000 pounds of Italian prunes netted 44 cents, 5,000 pounds of apples netted 7 cents and 2,500 pounds dried Royal Ann cherries brought 9 cents.

It seems clear at this writing that the present legislature has for once knocked the schoolbook trust into smithereens in despite of the usual pressure that was brought to bear upon that body by the firm that has for years had a monopoly of furnishing our school books.

Died, Wash Liles, at his residence 13 miles west of Eugene, Monday Jan 30, 1899 from hip disease. Deceased leaves a wife and eight children.

Liles receiving the news that her daughter was dying at Harrisburg, left her dead husband in care of her neighbors and went to the bedside of her daughter, who it is stated may recover.

Mrs John Lovelace evidently wears the pants on the Lovelace homestead near Glencoe according to the recent accounts. Mr Lovelace recently sued his wife for a divorce and last Sunday made assurance of his success doubly sure by getting soundly whipped by the lady which rendered his countenance unrecognizable.

Last Wednesday night Lovelace visited Mrs Lovelace at her brother's home presumably for a conference. He was invited in by the brother but reluctantly accepted the invitation. When Lovelace came out he repaired to Dr Thomas Darling, who dressed his injuries.

Elmira Items.

Ed. Broad-Axe. There is quite a talk of a railroad here at present, and some say it will come through Elmira next summer.

The first railroad survey that was ever made through the Willamette valley crossed the Long Tau river just where Elmira town is located.

Mr Sam McCutchen and Nuec Duckworth are talking of opening a restaurant in Elmira on main street near the postoffice and corner of Elmira and Trent's block.

I think that a good number of men every day at the store and shop, who of course get hungry and will eat if an opportunity is offered.

Mr Duckworth will furnish the beef and chicken soup, which is in good demand in Elmira just now.

Mr Duckworth thinks that the might get some of that em-balmed beef from the government which the soldiers refused in Cuba and persuade some of the boys to test it.

Feb 2. The frogs are not singing today. Their "harp is hung upon the willow tree," and they have "gone where the woodchuck hibernated" and the frosts of winter cannot reach them.

I will make my items short and spicy as I can, and will stand responsible for all that I write.

Who Are You? We hope our correspondent may continue his items and extend his wishes for the success of the contemplated railroad, and also wish Mr McCutchen and Mr Duckworth may go on with that restaurant.

Claude Branton whose case now rests on appeal to the supreme court, and who has broken the record in Lane county for real downright diabolism in every move from the incipency of the crime of murdering Linn up to within a few days since has confessed religion, and was baptized in his cell in the county jail on Sunday.

It is said that the man exhibits every evidence of true penitence, and contrition of heart. Reverends Mathek and Patterson, students of the Eugene Divinity School have been for some time laboring with the prisoner concerning his spiritual condition, and when it became known that he manifested a "change of heart," and desired the ordinance of baptism administered, many, especially of the city clergy were admitted to see the prisoner.

And if all who have seen him are of like opinion as Bro Rose of the Christian church as that gentleman stated to his congregation Sunday evening, Claude Branton is a thoroughly converted man.

Mr Rose stated that he bore a message from the prisoner to young people, which he hoped would be long remembered as of vital importance. That message was: "Tell my friends and former companions to shun bad company and avoid evil associations."

Headaches, nervousness and sleeplessness are more often the result of defective vision than from all other causes. It costs you nothing for a thorough test and examination of the eyes at my optical rooms, first door to the right, upstairs over McClung's store.

Hall's Family Pills are the best. Euterprising Nimrods.

Duck hunting must have a fascinating charm for other people, as well as for Ex President Cleveland, and this remark is caused from the fact that B. D. Paine, Fred Fisk, and Geo. Roberts of Eugene, a few days ago, fixed up for a protracted duck hunt over on the waters of Cayuse.

Their camp equipment consisted of a large army tent, a very small stove, and a lot of kitchen electric, including "something to warm the inner man."

Now when it is considered that the thermometer has been close about zero, sometimes below, since they left, it is a question whether they have bagged any ducks, on the ice, or whether the ducks, and the ice, and the "little brown jug," have bagged them.

At all events, those disciples of nimrod, must receive a diploma, from the sportsman's guild, that will throw anything to the shade ever Ex-President Cleveland received from that source.

The Broad-Axe speaks for enough feathers to mix with its own, as it sometimes revels in "fuss and feathers."

Cancer Removed. T E Warner of Fall Creek has been in the city for the past three weeks under the treatment of Drs Billington and L W Brown for cancer.

Last Friday a small cancer was successfully removed from Mr Warner's mouth, and he was in to see us Monday and states that the operation was very satisfactory and thinks of returning to his home at Fall Creek in a few days.
