### Hood's Sarsaparilla Never Disappoints

Enthusiasm Received a Check.

An enterprising washing machine agent, who has been meeting with good means." success in Whitneycille, had his arder sadly dampened the other day. He Flashington drove her first husband tress being absent, he persuaded her temper." son to let him show up the merits of his machine in a practical way. There Delaford, putting complacently away were no dirty clothes in the house, con at his eigar. sequently the agent persuaded the young man to change his shirt and give laugh, "you don't believe it?" him the garment on which to ever is "Excuse me," said Maj. Delaford, se-the cleaning power of his new inventory, "I do believe it. I have seen, him the garment on which to ever isc glowing hot with dry edgings. As he theory of that nature." alternated his labors in filling the store and revolving his machine, the lady of her?" the house made her appearance. She marched straight to the oven door and flung it wide open. The smoke from a ruined pot of beans flilled the room to suffocation. The agent was forced to make an ignominious retreat. Wher he seeks permission to test the machine ington?" now he looks sort of scared as he remarks in a casual way: "I presums there are no beans in the oven madam."-Lewiston Journal.

How it Worked.

Mrs. Newlywed (reading)-Love is a balloon that lifts us up to heaven, marriage is the parachute that brings us slowly back to earth again!

Mr. Newlywed (also reading)-Another parachute horror! Man falls 3,000 feet and is dashed to pieces Same old story! Parachute falls to work!-Puck.

> Are You Going Enet? If so, you should see that

your ticket reads via the frent Rock Island route, and you will get the best. Pullman palace sleeping cars, elegant reclining chair cars "free," and library buffet cars on all through trains. Best dining car service in the world. Popu lar personally conducted exeursions once a week to all points East. For full particulars call on or address any G. A. P. D., C. R. I. & P. Ry., 246 Is that I like her. She's a pretty little Washington street, Portland, Or.

Improved Train Equipment. The O. R. & N. and Oregon Short Line have added a buffet, smoking and library car to their Portland-Chicago through train, and a dining car service has been inauguarated. The train is equipped with the latest chair cars, coaches and ingurious first-class and ordinary sleepers. Direct connec tion made at Granger with Union Paciffe, and at Ogden with Rio Grande line, from all points in Oregon, Washington and Idaho to all Eastern cities. For informations rates, etc., call or H. Hurlburt, General Passenger Agent, Partland.

Climate, Scenery and Nature's Sant-

Scenery, altitude, sunshine and air, constitute the factors which are rapidly making Colorado the health and pleasure grounds of the world.

Here the sun shines 357 days of the average year, and it blends with the crisp, electric mountain air to produce a climate matchless in the known world. No pen can portray, no brush can picture the majestic grandeur of the scenery along the line of the Denver & Rio Grande Railroad in Colorado. Parties going East should travel via this line which is known all over the world as the Scenic Line of the world. For any information regarding rates, time tables, etc., call on or address R. C. Nichol, general agent, 251 Washington street, Portland, Or., or any agent of the O. R. & N. Co., or Southern Pacific Company.

At Chippewa Falls, Wis., the tele phone companies consolidated, and forthwith the rate was doubled.

United States possesses 22,705 mer

Let me in. "I won't!" anapped the bride. "Will you come downstairs, then?" 'I will not come out of my room until that woman is out of the house!" sput-

tered forth Mrs. Delaford. "Very well, my dear,' 'said the Major, called at a house in town, and, the mis. Into his grave by her ungovernable and he returned to the drawing room with unruffled philosophy.

Mrs. Delaford adhered to her resolution, although it was much tried by sundry peculiar sounds she heard on

the outside of her door, "Maj. Delaford has carpenters at work altering the house," thought she "It makes but little difference to me in any case. I shan't stay here."

At the end of the third day, howet ... she concluded to go downstairs. But when she opened the door, lo and behold! her egress was barred by a grated Iron door.

"Mercy upon us!" cried Mrs. Delaford. "What is this?"

"Please, ma'am," said the little maid, who had brought up her meals three times a day, "it's master as had it

"What for?" cried Justina. "Please, ma'am," said Hetty, trem bling all over, "don't you know you're

"Insolente minion!" said Mrs. Delaford, "call your master at once." Maj. Delaford came immediately up stairs, with Rosamend Bly clinging in

a frightened sort of way to his arm. "How do you feel now, my dear?" he asked, solicitously.

"I'm well enough," snarled Mrs. Delaford "Open that door, quick!"
"Mad! Very mad, indeed?" said Max. Delaford, in a sotto voce, turning to Rosamond.

"Ruffian!" cried the bride, "how dare ou speak so?" "Getting violent!" added the Major,

shaking his bead. "Let me out, I say!" persisted Mrs. Delaford, rattling at the bars. "What

does this absurd mummery mean?" i'erhaps a strait walsteest would be advisable," said the Major, "But as long as she remains tolerably manageable I shall not send her an asylum." Mrs. Delaford began to cry.

"Oh, Felix, how can you talk so?" sobbed she. "I am as sane as you are!" "Poor thing!" murmured the Major, mpassionately. "The hardest part of insanity must be when one becomes partially conscious of its deadly doom." Mrs. Delaford shut the door rather vehemently and began to cry hysteri-

"I'm not mad?" said she. "I won't be But how to belp herself-that was the question. The door was barred effec-
