Accused of Larceny.

Deputy Prosecuting Attorney Langley filed complaint. Monday morning against Avery Porter, against Vincent Davis and Guy Stockton and also later against Will Pickard, charging them with larceny in having taken from Mr. Peters \$50 in money. The accused were arrested on warrants issued by Justice Hughes. Each waived right to counsel and the case was proceeded with the evidence at hand. Mr. Porter admitted having \$50 of the money and said that Mr. Peters had given him the money for safekeeping. Peters testified that he might possibly have done so though he thought not. The evidence submitted did not warrant holding Mr. Porter and he was discharged. The others were on motion of the prosecuting attorney also discharged. The money disappeared. The \$50 bill was known and a watch kept for it until it turned up having been deposited with Mr. Flanner by Mr. Gregg who had received it of Mr. E. M. Ward who had kept it for Mr. Porter who was one of Mr. Peters' companions at the time the money was lost. On the strength of this chain the proceedings were had as given above.
