### AT THE 'VARSITY.

The Ladies Working society of the Cong. Church gave an entertainment in the college chapel in the form of a musical recital. Miss Clara White Cooley performed at the piano, and Miss Dorthea Eliot from Portland sang. The entertainment was well attended, and all seemed to be charmed with sweet melodies of Miss Eliot.

Miss Harriet Hannah Stevens formerly a student here, is seen about the college and town. We are glad to see our old friend with us, even though visiting, for we realize how much one enjoys a visit here, who has been here before.

Mrs. Larimore attended chapel Friday morning with her sister Georgia Hughes.

Gamma Sigma society met Tuesday evening and rendered a very interesting programme in memory of "Bill Nye". With considerable difficulty the society chose the question, "Resolved that the United States should engage in the acquisition of foreign territory to herself.

Index board met Friday afternoon and elected John Miller as managing editor and George Haskell assistant business manager. Voted that the printing would be let to the lowest bidder in town.
