HILLSBORO.

The post office changed hands the 1st of the month. John Gates arrived home, Saturday evening from Stanford University. Miss Grace Cronkite came home from Portland Saturday evening where she has been visiting for a few days. Her father H. M. Cronkite, had charge of her department in the public school. Mrs. B. O. Thorn is quite sick. Fears are entertained as to her recovery. Dr. J. E. Adkins has gone to Brownsville, this state, for a few days visit. Memorial exercises passed off very pleasantly. More interest was taken in the matter than ever before. The cemetery had been cleared of brush and presented a very neat appearance. The exercises in the afternoon were held at the court house. Much interest was manifested in the election, although everything passed off quietly. The dinner given by the ladies of the Christian church was good, as was also the ice cream served by the Congregational people in the court house yard. A report was current in the city Tuesday that the seventeen year old daughter of Mrs. Slater, a widow living in West Union vicinity, had been thrown from a horse Monday afternoon, and killed. The remains of Courtney Meek were brought out from Portland by Tuesday evening train and were buried in the Presbyterian cemetery Wednesday afternoon. The Milne flouring mill, at the depot, is being raised up and new sills and foundation placed under. The city "lads" met in regular council session Tuesday evening. Little business was presented for consideration and after passing upon the usual bills, adjournment was taken.

DILLEY.

There is a large number of people complaining with the lagrippe this week. The camp meeting held at this place was well attended by citizens and also by outsiders and a great interest was taken. Mr. C. W. Odell is still piling up material for his new house to be built this summer. Misses Essie and Minta Kaser, of Portland, visited with Mrs. S. F. Vanmeter over Sunday. A social hop was given at Burchell's hall Thursday evening by C. Burchell. A favorable time was reported. Forest Grove was well represented.

A. Hinman, Dr. Ward and D. M. Dunbar spoke at this place Saturday evening on political issues of the day and the money question. The populist picnic held at the Dilley park was a success, as a large crowd gathered with filled baskets. The speaker advertised failed to come but substitutes were plentiful. But there is one thing the reporter would like to call the business manager's attention to and that is to practice what you preach and patronize home enterprise. Gold and silver got in a row the other day but neither party was very successful. A Natural Beautifier. Karl's Clover Root Tea purifies the blood and gives a clear and beautiful complexion. For sale at Clark's drug store.

LAUREL.

Weather fine and farmers taking advantage of it. All kinds of fruit will be scarce in this vicinity except berries. They will be plentiful. The speaking at Laurel Saturday night by Mr. Gates and Mr. Timmons was well attended. Mr. Gates handled the subject of tariff well. Mrs. Crandall, an old time friend of hers, is taking care of her.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50 cts. and \$1.00 per bottle at Miller's pharmacy.
