

GLENCOE.

Peterson, J. W. Kyle and A. Harriman have returned from Tillamook. They do not speak very flatteringly of the roads that they had to travel over. Mrs. Alice Sanford went to Oswego to attend the crystal wedding of her sister last Monday. T. H. Williams reported that some persons entered his strawberry patch last Thursday night and picked about one hundred and seventy-five pounds, and they came back the next night to pick more but T. H. and his dog was watching the patch, and they did not get close enough to get any berries before the dog discovered them and scared them away. T. H. says he knows who it was, although he did not see them but tracked them far enough to find out where they lived. The combined base ball team of Centerville and Cornelius came over last Sunday and scooped the Glencoe team, score 28 to 25. A Great German's Prescription. Diseased blood, constipation and kidney, liver and bowel troubles are cured by Carl's Clover Root Tea.

MOUNTAINSIDE.

Mrs. Clara and Miss Nettie Skeels went to Oregon City last week to visit old time friends. Mrs. Lawrence of Scholls has been up to Mountainside canning strawberries at Floyd Lawrence's. Miss Pearl Schmeltzer has returned from Portland where she has been working for the past few weeks. James Hanson is taking care of John Frank's place during his absence. We are anxious to do a little good in this world and can think of no pleasanter or better way to do it than by recommending One Minute Cough Cure as a preventive of pneumonia, consumption and other serious lung troubles that follow neglected colds. J. C. Clark, druggist.

HILLSBORO.

A diminutive row caused some commotion in the city Saturday afternoon. The timely appearance of a deputy sheriff prevented serious damage being done. The Hillsboro band gave an open air concert at the band stand Saturday evening. The boys will furnish music for the race meetings and the celebration on the 4th. M. S. Daily is slowly recovering from his recent illness. John Gates and W. E. Prunyn, accompanied by two young men from Portland, spent the latter part of last week up on Gales Creek. Let us establish your faith and restore your health with De Witt's Sarsaparilla. J. C. Clark, druggist.

HILLSIDE.

Children's Day was fittingly observed by a large number of people from Greenville, Hillside, Forest Grove and elsewhere, in a pleasant grove east of John Bellingher's on the 21st. The committee on arrangements spent considerable time and labor to render the grounds suitable and pleasant. The recitations, music, addresses, etc., showed care and good judgment in selection and preparation. Two sessions were held and lunch and quiet sociability were indulged in during the intermission. An agreeable and profitable day was spent. School closed in this district with appropriate exercises on Friday evening. Part I, entitled "June Voices," represented the complaints from tired and worn-out school books, pencils, bell, etc., then the persuasive voices of flowers, birds and other gentle denizens of the outdoor world urging the children away from study to delightful hours with nature in holiday attire. Part II represented a Congress of Flowers, opened by Mistress Grass, who spoke forcibly and impressively of perseverance, followed by Pussy Willow, Dandelion, Mayflower, Violet, Daisy, Forgetmenot, Pink, Wild Rose, Buttercup, Pansy, Poppy, Sapling, Goldenrod and Lily, each personifying some virtue and enforcing a wholesome lesson. Songs and other recitations were interspersed by way of spice. The children had been so occupied with examinations and home work as to prevent much practice, but deserved and received credit for an enjoyable evening. Persons who have a coughing spell every night, on account of a tickling sensation in the throat, may overcome it at once by a dose of One Minute Cough Cure. J. C. Clark, druggist.

SHERWOOD.

J. E. Mooback's new hall is almost completed. It will be completed in time for a grand ball the 4th. The orchestra of LaFayette will furnish music for the occasion. Miss Lena Langer and Mrs. Scott Haynes have gone to Portland to stay for an indefinite length of time. The Union Sunday school picnic on Saturday last in which Scholls, Middleton and Sherwood participated was well attended and the program was appreciated very much especially the instrumental music rendered by the Rowell trio of Scholls. C. G. Reiser has opened a temperance billiard hall with lemonade, cigars and candy. Johnson Hall returned from Tillamook Tuesday. Claud Young was unfortunate enough to have a bicycle smash up last Saturday. Knight & Hall have dissolved partnership. Mr. Knight is conducting the butcher business now. Mrs. Nettie Stevenson has returned from Portland. The Sherwood boys went to Tualatin Sunday the 28th, and played a game of base ball that was a record breaker in its way. At the end of the eighth inning Tualatin gave it up when the score stood 100 to 20 in favor of Sherwood. It would be hard to convince a man suffering from bilious colic that his agony is due to a microbe with an unpronounceable name. But one dose of De Witt's Colic & Cholera Cure will convince him of its power to afford instant relief. It kills pain. J. C. Clark, druggist.

FIR.

We are having fine growing weather with the thermometer standing at 92 in the shade. All kinds of garden stuff is looking fine. Some of our farmers have commenced cutting their hay. Tourists and fishermen are daily seen coming up on Gales Creek for an outing. Some in buggies, some in carts, and for a change one sees the fast whirling cycle on our fine roads. Mr. B. M. Collins is hauling hay from Mr. White's. Mr. Z. B. Haines in grading the roads and thereby putting them in first-class condition. The storm Sunday did not do much good. "Wake up, Jacob, day is breaking!" so said De Witt's Little Early Risers to the man who had taken them to arouse his sluggish liver. J. C. Clark, druggist.
