### REPUBLICAN PLATFORM.

"The republicans of the United States, assembled by their representatives in na-tional convention, appealing for the popular and historic justification of their claims to the matchless achievements of and confidently address themselves to the awakened intelligence, experience and conscience of their countrymen, in the following declaration of facts and

principles: "For the first time since the civil war, the American people have witnessed the calamitous consequences of full and unrestricted democratic control of the gov-ernment. It has been a record of unparalleled incapacity, dishonor and dis-

'In administrative management, has ruthlessly sacrificed indispensable revenue, entailed an unceasing deficit. eked out ordinary current expenses with borrowed money, piled up the public debt by \$252,000,000 in time of peace. forced an adverse balance of trade, kept a perpetual menace hanging over the redemption fund, pawned American credit to alien syndicates, and reversed all the measures and results of successful

all the measures and results of successful republican rule. "In the broad effect of its policy, it has precipitated panic, blighted industry and trade with prolonged depression, closed factories, reduced work and wages, halted enterprise and crippled American production while stimulating foreign pro-ducting for the American method. luction for the Amer'can market. Every consideration of public safety and indi vidual interest demands that the govern Miss Ora Young has gone to Amity to visit with her aunt for an indefinite period. Mrs. Clara Smock and her daughter Dora were down on a visit from Dallas last week. A transmary photograph gallery is

"We renew and emphasize our allegi-ance to the policy of protection as the bulwark of American industrial inde-pendence and the foundation of American development and prosperity. This true American policy taxes foreign pro-ducts, encourages home industry, and to visit with his daughter, Mrs. Jane puts the burden of revenue on foreign goods; it secures the American market for the American producer, it upholds the American standard of wages for the American workingman; it puts the fac-tory by the side of the farm and makes the American farmer less dependent on foreign demand and price; it diffuses general thrift and founds the strength of ment of the United States should actively 

"We denounce the present democratic tariff as sectional, injurious to the public credit and destructive to business enter-prise. We demand such an equitable tariff, on such foreign imports as come into competition with American products, as will not only furnish adequate revenue for the necessary expenses of the government, but protect American labor from degradation to the wage level of other lands.

he farmers, as it came in time to benefit he late potatoes and gardens. Mr. Hodges who went to Alaska to rork in the mines, has returned. He the ruling and uncompromising principle the running and uncompresent of and we renew our repeated declarations American labor and industry. The country demands a right settlement and then it wants rest.

We believe the repeal of the reciprocity arrangements negotiated by the last republican administration was a na-tional disgrace, and we demand their re-newal and extension on such terms as will equalize our trade with other nawill equalize our trade with other ha-tions, remove the restrictions which now obstruct the sale of American products in the ports of other countries, and secure enlarged markets for the products of our form for the products of our REAL ESTATE AGENT,

farms, forests and factories. "Protection and reciprocity are the Protection and reciprocity are the twin measures of republican policy, and go hand in hand. Democratic rule has recklessly struck down both, and both must be re-established. Protection, for what we produce; free admissions for the necessaries of life which we do not pro-duce; reciprocal agreements of mutual interest which gain open markets in re-turn for our open markets to others.

of such laws as are best calculated to secure the fulfillment of the pledges made to them in the dark days of the country's

beril. We denounce the practice in the bension bureau, so recklessly and un-ustly carried on by the present adminis-ration.

peril.

pension bureau, so recklessly and un-justly carried on by the present adminis-tration, of reducing pensions and arbi-trarily dropping names from the rolls, as deserving the severest condemnation of the American people. "Our foreign policy should be at all times, firm, vigorous and dignified, and all our interests in the western hemis-phere carefully watched and guarded. The Hawaiian islands should be control-led by the United States, and no for-eign power should be permitted to inter-fere with them; the Nicaragua canal should be built, owned and operated by the United States and by the pur-chase of the Danish islands we should secure the proper and much needed naval station in the West Indies. "The massacres in Armenia have aroused the deep sympathy and just in-

aroused the deep sympathy and just in-dignation of the American people, and we believe the United States should exwe believe the United States should ex-ert to bring these atrocities to an end. In Turkey American residents have been exposed to the gravest dangers and American property destroyed. There, as everywhere, American citizens and American property must be absolutely protected at all hazards and at any cost. "We reassert the Monroe doctrine in its fullest extent, and we reaffirm the right of the United States to give the doctrine effect, by responding to the ap-peals of any American state tor friendly intervention in case of European encroachment.

"We have not interfered and shall not pretext, be extended. We hopefully look forward to the eventual withdrawal of the European powers from this hemis-phere and to the ultimate union of all the English-speaking parts of the con-tinent by the free consent of its inhabi-

ants. "From the hour of achieving their own independence, the people of the United States have regarded with sympathy the struggles of our American people to free themselves from Europeon domination. We watch with deep and abiding inter-est the heroic battle of the Cuban patriots against cruelty and oppression, and our best hopes go out for the full success of their determined contest for liberty. "The government of Spain, having lost control of Cuba, and being unable to protect the property or lives of resident American citizens, or to comply with its struggles of our American people to free

American citizens, or to comply with its treaty obligations, we believe the govern-

demand a naval power commensurate with its position and responsibility. We, therefore, favor the continued enlarge ment of the navy and a complete system of harbor and seacoast defenses.

"For the protection of the quality of our American citizenship and the wages of our workingmen against the fatal competition of low-priced labor, we demand that the immigration laws be tho oughly enforced and so extended as to exclude from entrance to the United States those other services and so extended in the service of the ser
