The

the American farmer less dependent on foreign demand and price; it diffuses general thrift and founds the strength of all on the strenght of each. In its rea-sonable application it is just, fair and impartial; equally opposed to foreign control and domestic monopoly; to see-"The peace and security of the repubcontrol and domestic monopoly; to sec-tional discrimination and individual lic and the maintenance of its rightful "We denounce the present democratic tariff as sectional, injurious to the public credit and destructive to business enter-

prise. We demand such an equitable tariff, on such foreign imports as come into competition with American pro-ducts, as will not only furnish adequate revenue for the necessary expenses of the government, but protect American labor from degradation to the wage level of

"We are not pledged to any particular schedules. The question of rates is a practical question, to be governed by the conditions of the time and of production; the ruling and uncompromising principle is the protection and development of American labor and industry. ountry demands a right settlement and then it wants rest.

We believe the repeal of the recinewal and extension on such terms as will equalize our trade with other na-tions, remove the restrictions which now obstruct the sale of American products in the ports of other countries, and secure enlarged markets for the products of our farms, forests and factories.

"Protection and reciprocity are the twin measures of republican policy, and go hand in hand. Democratic rule has recklessly struck down both, and both must be re-established. Protection, for only aggravate. Karl's Clover Root Tea gives perfect regularity of the bowels. duce; reciprocal agreements of mutual interest which gain open markets in return for our open markets to others. Protection builds up domestic industry and trade and secures our own market for ourselves; reciprocity builds up for-eign trade and finds an outlet for our surplus. "We condem the present administra-tion for not keeping faith with the sugar producers of this country. The republi-can party favors such protection as will lead to the production on American soil of all the sugar which the American peo-ple use, and for which they pay other intries more than \$100,000,000 annually. George Baker, of Snohomish, a nephew of Emory Brooks, is visiting his uncle at the present time. "To all of our products—to those of the mine and field, as well as those of the sheep and the factory—to hemp, to uncle at the present time. Eddie and Orrie Brooks and Miss Emma Emile were the guests of Hattie Skeels last Sunday evening. Raphael Skeels has not returned home yet_ We understood that he is attend-ing a ten days' teachers' institute. He sheep and the factory—to hemp, to wool, the product of the great industry of sheep husbandry, as well as to the finished woolens of the mill, we promise the most ample protection. "We favor restoring the early American policy of discriminating duties for the upbuilding of our merchant marine, and the protection of our shipping interests in the foreign-carrying trade, so Ameri-can ships, the product of American labor, employed in American shippards, sailing under the Stars and Stripes, and manned, officered, and owned by Americans, may regain the carrying of our foreign com-"The republican party is unreservedly for sound money. It caused the enact-ment of the law providing for the resumption of specie payments in 1879 since then every dollar has been as good as gold; we are unalterably opposed to every measure calculated to debase our currency or impair the credit of our "We are, therefore, opposed to the If you have ever seen a little child in the agony of summer complaint, you can such agreement can be obtained the ex-isting gold standard must be preserved. "All our silver and paper currency must be maintained at parity with gold and we favor all measures designed to maintain, inviolably, the obligations of the United States, and all our money, whether coin or paper, at the present standard, the standard of the most en-lightened nations of the earth. "The veterans of the Union armies de-"The veterans of the Union armies de-serve and should receive kind treatment and generous recognition. Whenever practicable they should be given the preference in the matter of employment, and they are entitled to the enactment
