SCHOOL FOR TEACHERS.

Grove.

The annual teachers institute for Washington county was held in Marsh hall during the past week, beginning Monday noon and ending Saturday noon. Out of 158 teachers holding certificates from this county, or state papers registered here, 113 were in attendance the required three days and many staid the entire week. Twenty-two of the teachers are no longer in the county so that it was really 113 attending out of a possible 136 and as the daily attendance averaged over 70 this teacher's school compared very favorably with other schools.

The day was divided into nine recita-\$ 87 00 tion periods and regular normal work carried on by Profs. Ackerman and Allen. Both are able instructors and every ..... 22 62 session well repaid those who attended. .. 15 00 During the coming school year a ser-2 50 ies of local institutes will be held covering all of the county. In this work the teachers will take part and an effort also 1 50 district officers.

Thursday's evening session of the Dr. G. M. Irwin, state superintendent of 2 50 public instruction, made a short but 12 00 eloquent address on popular education, 15 oo ment in this line.

Hon. H. B. Miller, president of the 13 00 State Agricultural college of Corvallis, after a brief introductory history of in-250 oo dustrial training by the government, explained numerous views about the O. A. C. campus at Corvallis which were thrown on a large screen by an excellent electric stereopticon managed by Prof. 64 60 Pernot, the college photographer. Among them appeared the large college Minnie Osmund building, the dormitories, green houses, Samuel J Ennes, laboratories, machine shows barne Mrs Mary Pittenger laboratories, machine shops, barns, dairy, orchards, and farm which make Ralph Wann up the extensive equipment of the school. Frank Stewart Here young men are prepared to be farmers, mechanics, surveyors, electric- Chas Hanson ians, or otherwise gotten ready for practical life, while young women become EM Florey proficient cooks and model housekeepers. Besides this, the college offers the best expenses, and in the past two years it sale at Clark's drug store. has not cost Oregon a dollar. The ex-I 20 periment station auxiliary to it is of great assistance to farmers over the state, furnishing reliable information on lecture and the accompanying views 72, Buxton. were a revelation to many who did not know that Oregon had such an institu- four months term on the 7th.
