we don't know what they are full of, but we know it's not sarsapa-

make of sarsaparilla that can be relied on to be all it claims. It's Ayer's. It has no secret to keep. Its formula is open to all

physicians. This formula was examined by the Medical Com-mittee at the World's Fair with the result that while every other make of sarsaparilla was excluded from the Fair, Ayer's Sarsapa-

rilla was admitted and honored by awards. It was admitted be-

cause it was the best sarsaparilla. It received the medal as the best. No other sarsaparilla has been so tested or so honored.

Good motto for the family as well as the Fair: Admit the best,
