Senator Hughes has sent off an exhibit

Washington county may not go unrep-  
resented there. The mammoth golden

clusters will reflect credit on this, one of  
the greatest of Oregon's agricultural

occurred at the Ladies' hall Friday  
evening and was largely attended. Miss  
Bailey recited and Misses Scott, Parker  
and Stewart sang solos. Mrs. Cook, the  
new director of the conservatory, played  
charmingly. Townspeople pronounced  
the reception the best in late years and  
all the students confess to having en-  
joyed the evening. The matching of  
parts of quotations which had been given  
out on slips brought out many ludicrous

The long bridge this side of Hillsboro  
on the base line road is in dangerous  
condition and needs immediate repair.  
It is the most important thoroughfare in  
the county, and a costly accident is likely  
to occur at any time. Saturday two  
horses broke through.  
Mr. E. H. Flagg a prominent Demo-  
crat, now resident in Salem, and founder  
of the Washington County Democrat to  
which this paper is successor through its  
Times branch, has a letter in Friday's  
Oregonian which shows him to be out  
straight for McKinley.  
While Ed. Ward and T. J. Harris were  
driving across the Gales Creek bridge  
just off the Dilley road they met a herd  
of cattle. The horse struck one, break-  
ing the harness and frightening him so  
that he ran for half a mile before he  
could be controlled. The marshal  
jumped at once, striking with head and  
shoulder between the hind heels of a  
steer. Fortunately no injuries resulted  
from the runaway.  
Saturday afternoon and evening the  
ladies of the M. E. Church held a social  
in the gymnasium building which had  
been tastefully decorated for the occasion.  
An inviting and substantial chicken din-  
ner was served which attracted many.  
A feature was a handsome souvenir Ja-  
panese napkin bearing announcements of  
the leading business houses. Financially  
as well as socially the event was success-  
ful. Over \$40 was taken in of which \$30  
was profit.  
Forest Rebekah lodge, I. O. O. F. will  
conduct an old-fashioned spelling match  
Friday evening in Odd Fellows hall and  
invites every one who wants an enjoy-  
able evening to come. At recess a lunch  
will be served, and as the Rebekahs are  
famous cooks it will not be one of the  
least attractive features. Appropriate  
prizes will reward the best, and console  
the poorest, spellers. An admission fee  
of ten cents will be charged, but one will  
get his money's worth. If you are going  
you had better get out your old spelling  
book and brush up.

Mr. James Gibson, of Portland, visited  
his daughter, Mrs. C. W. Ransome, over  
Sunday.  
NOTICE.—On and after Sept. 1 all busi-  
ness must be strictly cash. Gregg's  
Shoe Store.  
Congressman Ellis will speak in Hills-  
boro, Friday, Oct. 2, in the interests of  
the Republican party.  
Don't forget the Rebekahs' spelling  
match at Odd Fellows hall Friday at 8  
o'clock. Everybody invited.  
Buy your chairs, bedroom suites, in  
fact, all kinds of furniture at Smith's and  
save your freight from Portland.  
It don't require any application of X-  
rays to discover the bargains in furniture,  
wall paper, etc., etc., that are now to be  
had at Smith's Furniture Store.  
Mr. Wm. H. Crosley sold one of his  
houses and lots in this city last Friday  
to John Anderson, consideration \$500.  
The sale was made by Melki Johnson  
our enterprising real estate agent.  
Caples & Thomas have received an-  
other large shipment of Eastern Oregon  
bacon, made from wheat-fed hogs. It  
is very nice, and they are selling it  
cheap.  
Ladies, if you have a dress you want  
dyed, send us a sample and we will show  
you what we can do with it. We dye in  
all colors. Forest Grove Laundry and  
Dye House.  
If the hair is falling out and turning  
gray, the glands of the skin need stimu-  
lating and color-feeding, and the best  
remedy and stimulant is Hall's Hair  
Renewer.  
If dull, spiritless and stupid; if your  
blood is thick and sluggish; if your ap-  
petite is capricious and uncertain. You  
need Sarsaparilla. For best results  
take DeWitt's. It recommends itself.  
J. C. Clark, druggist.  
Doctor C. L. Large reports a daughter

ing. CASH. McNamer's Meat Market.  
Senator Brownell, of Oregon City, who  
has been campaigning with U. S. Sena-  
tor Mitchell, passed through town on the  
up train Tuesday evening bound for  
Carlton, Sheridan and Dayton where he  
delivered addresses and now has rejoined  
Mr. Mitchell. Mr. Brownell is a mag-  
netic speaker and makes votes wherever  
he goes.  
Hon. M. C. George, ex-member of con-  
gress, addressed a large audience in  
Vert's hall Tuesday evening. After  
briefly referring to tariff, Mr. George  
gave a comprehensive view of the money  
question of whose history and issues he  
showed full mastery. Naturally he  
spoke from the republican side, but his  
statements were accurate and his treat-  
ment fair. The absence of abusive con-  
tempt so frequently made the body of  
campaign speeches was welcome and  
commendable.  
The county republican committee will  
probably meet about the first of the  
month. The county league of clubs  
which is working in harmony with the  
committee will have a meeting of its  
executive board at the same time, and  
after their other work is over the two  
committees will hold a joint session.  
The secretary of the league is busily at  
work, and with the two organizations,  
the county will be thoroughly covered in  
McKinley's interest. A big majority in  
November will repay their labor.  
Gamma Sigma, the young men's soci-  
ety at college, held its first meeting of  
the term Wednesday evening. Four or  
five applications for membership were  
received. It was decided that at the  
next session it should be discussed  
whether or not free coinage would double  
the price of silver. Messrs. Walker and  
Schoch say it will, and Messrs. Tongue  
and Lancefield that it won't. Election  
of officers resulted: John Miller, presi-  
dent; Fred Luelling, vice-president; A.  
D. Schoch, recording secretary; C. Hart-  
ley, financial secretary; J. E. Kirkwood,  
sergeant. A watermelon social was later  
held on the campus and the new  
officers.

# Two Ways

## TWO WAYS OF DOING BUSINESS, CASH OR CREDIT?

Compare and make up your mind which  
you prefer to patronize.  
When one takes their Cash to a credit  
store they help pay for bookkeeping and  
bad accounts. In other words they help  
support someone's else family.

| <b>Total</b>                          | <b>19.62</b> | <b>\$14.10</b> |

By comparison you find credit stores charge \$19.62 for what we  
sell for \$14.10. Difference of \$5.52. Has not the credit customer paid  
this \$5.52 for expense of bookkeeping and bad accounts? Or, in case  
one takes their cash to a credit store and gets 5 per cent. discount for  
cash, which amounts to 97 cents, he is still paying a difference of \$4.55  
for goods charged to some one who fails to pay their account, thus, the  
cash buyer who takes his cash to a credit store helps support the credit  
customer's family as well as his own. Cash buyer, can you afford to  
to go on year after year paying for accommodations other people get the  
benefit of? Credit buyer, there is a duty you owe yourself and your  
family. When you pay your book account ask for an itemized bill. This  
you are entitled to. Compare your itemized account with these cash  
prices and see how much more it costs you to live than it costs the man to  
live who pays as he goes. There are many more goods, Boots, Shoes,  
Dry Goods, Clothing and Tinware that we have not room to quote  
prices here but will gladly show you and give cash price.  
Respectfully

# Caples & Thomas

**Republican Speaking.**  
Hon. Thos. H. Tongue will speak in  
Vert's hall on the political issues of the  
day, on Monday evening, 28th inst., at  
7:30 o'clock. Mr. Tongue is one of the  
ablest exponents of republicanism in the  
state, and a full house is sure to greet  
him. Good music will be furnished for  
the occasion.

**All Recommend It.**  
Ask your physician, your druggist and  
your friends about Shiloh's Cure for Con-  
sumption. They will recommend it.  
For sale at Clark's drug store.

**Politics at Gaston.**  
The Gaston correspondent writes the  
Oregonian Saturday: "S. C. Spencer,  
republican, and S. B. Riggen, popocrat,  
held a joint political debate here last  
night on the issues of the campaign.
