Times are just as good here as in any other part of the country, and our climate is so much better than elsewhere that many people are writing for descriptive circulars and the price of land. Johnson & Cornelius, real estate agents here, have had printed at this office 2,000 booklets, giving a nice description of the country, to supply the demand for such material which has lately been made upon them. This shows how Eastern people feel and what they will do if times will permit them to move.

"I don't believe there ever was so good a pill made as Ayer's Cathartic Pills. They will do all you recommend them for, and even more. When I have a cold and ache from head to heels, a dose or two of these pills is all the medicine needed to set me right again. For headache, &c."

**Pill Clothes.**  
The good pill has a good coat. The pill coat serves two purposes; it protects the pill, and disguises it to the sensitive palate. Some coats are too heavy; they won't dissolve, and the pills they cover pass through the system, harmless as a bread pellet. Other coats are too light, and permit the speedy deterioration of the pill. After 30 years exposure, Ayer's Sugar Coated Pills have been found as effective as if just fresh from the laboratory. It's a good pill, with a good coat. **Ayer's Cathartic Pills.**  
This testimonial will be found in full in Ayer's "Curebook," with a hundred others. Free. Address: J. C. Ayer Co., Lowell, Mass.

The "hammer throw" followed with Luening first and James second. The "high jump" was taken by Luelling with Hansen second. Luelling easily took the pole vault with Fletcher second. While the boys were resting from their walk Johnson lowered his bicycle record making the phenomenal time of 4.0 2-5. Hansen easily took the mile run with Luelling second. A summing up of all the points made showed Luelling several hundred ahead. He was accordingly tendered a reception at Herrick Hall by the Basket Ball club in the evening. The hall was tastefully decorated, a small alcove being formed in one corner from which refreshments were served to the guests. The silver cup was presented to Mr. Luelling by Prin. Bates. **The Best Remedy for Rheumatism.**  
From the Fairhaven (N. Y.) Register.  
Mr. James Rowland of this village, states that for twenty-five years his wife has been a sufferer from acute rheumatism. A few nights ago she was in such pain that she was nearly crazy. She sent Mr. Rowland for the doctor, but he had read of Chamberlain's Pain Balm and instead of going for the physician he went to the store and secured a bottle of it. His wife did not approve of Mr. Rowland's purchase at first but nevertheless applied the Balm thoroughly and in an hour's time was able to go to sleep. She now applies it whenever she feels an ache or a pain and finds that it always gives relief. He says that no medicine which she had used ever did her as much good.
