AYER'S ARGUMENT.

If there is any reason why you should use any sarsaparilla, there is every reason why you should use Ayer's. When you take sarsaparilla you take it to cure disease; you want to be cured as quickly as possible and as cheaply as possible. That is why you should use Ayer's: it cures quickly and cheaply-and it cures to stay. Many people write us: "I would sooner have one bottle of Ayer's Sarsaparilla than three of any other A druggist writes that "one bottle of Aver's will give more benefit than six of any other If one bottle of Ayer's will do the work of three it must have the strength of three at the cost of one. There's the point in a nutshell. It pays every way to use
