Will and paper of August 19, to

prints a Ey letter referred to, I stated that leading Whitman left the company of imprograms of 1843 at Fort Hall, and proor that he gathered, organized or piloted or that he gathered, organized or piloted or that he gathered, organized or piloted or that he gathered or piloted or pilo receded ahead of us in answer to a special the immigration of 1843 to this country.

The same of the immigration of 1843 to this country.

The same of the immigration of 1843 to this country.

I protest against this belittling of the could not sell them and when we were to the Eells family.'

The Mr. Eells who thus sent Indian then may the Lord save him from such runners five hundred miles to take Dr. friends. Whitman away from the company of immigrants, was the father of the Mr. Eells who now writes the letter reterred to, and the author of the present Eells' that vow until stricken down by the letter was the "addition made to the Eells family" at that former time. It is this Nixon, Eells & Co., party which would make out that Dr. Whitman would make out that Dr. Whitman speak of yet but there has been a drizzling rain most all the time. Sometimes the helped him into this world; for it would British, puts Whitman in the position be a bad man indeed that would not of a traitor to his Indian charges. Dr.

migrant of I843, as he does; for he did not emigrate to Oregon and had no voice in coming here. Mr. Eells knows nothing about what he writes about and has The settlement and occupation of the nothing but hearsay for his statements. He also quotes John Zachary and Wm. Waldo in proof of the alleged representations by Whitman to induce immigra- title by the government was bound to pile he counted 67 dead horses and there tion in 1843; but these men were in 1843 and liable to be mistaken entirely in proved. Dr. Whitman knew that such who comes through tells the same story. what they state about matters which certainly did not interest boys of that

istical way to prove their case. There with fallacious reasoning, but boldly ment at Washington or filed them with just come up from Yukon. We had 60 make assertions that are notoriously the Mission Board in Boston, where Doctor of Divinity Nixon who I as written had an experience, a book of 400 pages to prove that Whit- But this letter is already, too long. a good deal of stealing has been going on but no one caught yet. They make man saved Oregon, and as a sample of Oregon was not saved by Dr. Whitman quick work with a thief here when they his historical facts he asserts that A. L. or any other one man. American rights Lovejoy (who accompanied Whitman on his winter trip in 1842 as far as Fort Jefferson in the Louisiana purch, se and Benton) followed Whitman on to St. he sent Lewis and Clark here in 180 to goes back with a party today.
