LOOK AT ME NOW

One year ago last February I was taken down with Sciatica Rheumatism. I finally resorted to crutches. I suffered excruciating pain. I took Vitae Ore and am now out pain, and can sleep as well as I ever could. My kidneys were very bad and both me very much, and that is removed. I now feel as well as I ever did.

You can inquire of any business man in town and he will tell you the same as I have said in regard to my afflictions. I will publish my testimonials that reside in Oregon soon for the good of human family.

I keep Vitae Ore on hand. Try it. It cured me, and will cure you if you use it according to directions.
