

GLENWOOD.

Nov. 22.—The absorbing topic that is agitating the minds of some of the Glenwoodites at the present time is who will be the next mail-carrier on the Forest Grove-Glenwood route.

Hark! Do you hear the merry wedding bells? Rumor has it that one of our most popular young ladies is soon to take part in a nuptial knot tying.

Thomas Luster having secured employment in the Southern Pacific machine shop in Portland took his departure for there Monday.

Ed. Wagner and Miss Virgie Varley have been on the sick list. Mr. Wagner had a severe attack of typhoid fever but is convalescent.

Al. Morrill has traded his farm here for a piece of property at Hillsboro. Mr. Morrill and family will remove there in the spring.

Fred Schofield, who has been employed on a government snag boat near Salem, arrived home last week.

Thos. R. Johnston was engaged Monday in transferring some of Mr. Morrill's personal effects to Hillsboro.

Owing to the severity of the weather the studies at the school came to a close Friday. The teacher, Mr. Jones, left for the Grove Saturday.

On Sunday the 15th inst., Master Will Lousignout, son of Mr. Wm. Lousignout, of the Lower Nehalem, and another party from Cedar Mills started on a hunting expedition on the Lower Nehalem and although searching parties have been out nothing up to the present time has been ascertained of their whereabouts.

Mrs. Retta Post, sister of Mrs. A. H. Schofield, took her departure for the Grove Monday where she intends locating for the winter.

LAUREL HEIGHTS.

There has been a protracted meeting going on at Mt. Top church.

Mr. Wm. McCormick has been hauling beef to Portland lately.

Mr. Deford, of Hopewell, made a flying trip to the Heights Sunday.

Miss Maggie Jones has been visiting with her mother for several days.

Elder D. A. Lynch, of Gaston, was at the Heights last Sunday.

Mr. Hugh Finigan of this place raised a beet that weighed 25 pounds.

The young people of this neighborhood are intending to attend the party given by Mr. Wm. Jones near Newberg on the 20th.

Mr. Burt Savage and Miss Lillie Haynes were visiting a few days at the home of Mrs. Sena Jergen of Tualatin.

Miss May Haynes is attending a grand wedding at Hopewell this week.

Call on Fred Haynes when you want to butcher the next beef, he has got the knife and saw.

WITCH HAZEL.

Nov. 23.—Tom Emrick is moving in the house near the school house. He has rented one of DeLashmutter's farms.

Mr. McLinn, of Cornelius, will occupy the house Emrick vacated.

H. C. Clark and wife took tea at Witch Hazel Friday evening.

Mr. Kellerman has moved to Mr. DeLay's farm.

Wm. Emrick's foot is well.

FARMINGTON.

Nov. 23.—There will be a protracted meeting begin at the Methodist church the first Sunday in December.

Mr. Myres Johnson seemed to be the best shot at the shooting match last Saturday as he carried away the most turkeys.

The basket social last Saturday evening at the Farmington school house was quite a success. There was rendered a good program after which came the selling of the baskets in which all took a part.

GASTON.

GASTON, Nov. 17.—T. W. Thompson went to Portland last Monday on business.

Mr. Chas. Hudson has been sick for several days but is better at this writing. We begin to see water in Wapato lake and lots of ducks, also hunters.

Mr. Singleton, of Roseburg, Or., visited at Mrs. Samuel Ralston's one day this week.

There have been 15 cars shipped in the past week, loaded with grain and wood. Can any other station on the road the size of Gaston beat that?

The Gaston Milling Co. since they have begun work have shipped 25 cars of flour, feed and grain. There was quite an opposition here to the mill during its construction, but it seems a good location for a mill.

The Y. M. C. A. is observing the week of prayer-meeting every night this week at 6:45, in the association room. Great interest is shown and the attendance is large. The meetings are practical and of benefit to all.

The Philomatheans will debate the following question at their regular meeting Thursday afternoon: Resolved, "That the forests of the United States have been a source of greater wealth to the country than her coal mines". Affirmative Miss Lieser. Negative Miss Pratt.

At a meeting of P. U. A. C. Wednesday evening T. H. Tongue Jr. handed in his resignation as manager of the foot ball team; it was accepted and Frank Stewart elected to fill the vacancy.

Whether P. U. will play foot ball on Saturday or not is as yet veiled in uncertainty. Challenges have been received from Portland High School, Pacific College and McMinnville but no action has yet been taken.

Saturday afternoon the campus was the scene of a very noisy and excited crowd the occasion being a game of foot ball between the teams of McMinnville College vs. Pacific University. The former were well represented having brought with them a car load of enthusiasts and "rooters". Although loyalty to our college would urge me to chronicle a different result yet a due regard for truth compels the statement that the score was 12 to 4 in favor of McMinnville. The game was a hard one and some good playing was done on both sides yet the superior weight of the McMinnville team, joined to the fact, that P. U. had several new men who were entirely inexperienced gave the victory to our opponents. On the whole it was a valuable experience and ought to tell in the games that are yet to come.

A Remarkable Cure of Chronic Diarrhoea.

In 1862, when I served my country as a private in Company A, 167th Pennsylvania Volunteers, I contracted chronic diarrhoea. It gives me a great deal of trouble ever since. I have tried a dozen different medicines and several prominent doctors without any permanent relief. Not long ago a friend sent me a sample bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after that I bought and took a 50-cent bottle; and now I can say that I am entirely cured. I cannot be thankful enough to you for this great remedy, and recommend it to all suffering veterans. If in doubt write me. Yours gratefully, Henry Steinberger, Allentown, Pa. Sold by J. C. Clark, druggist.
