LOOK AT ME NOW.

One year ago last February I was taken down with Sciatic Rheumatism. I finally had to resort to crutches. I suffered excruciating pain. I took Vitae Ore and am without pain, and can sleep as well as I ever could. My kidneys were very bad and bothered me very much, and that is all removed. I now feel as well as I ever did.

You can inquire of any business man in town and he will tell you the same as I have said in regard to my afflictions. I will publish more testimonials that reside in Oregon soon for the good of the human family.

I keep Vitae Ore on hand. Try it. It cured me, and it will cure you if you use it according to directions.

NELSON LA COURSE,
General Agent,
Forest Grove, Oregon.

AGENTS WANTED.

Taken in time, Vitae Ore in an infallible cure for diphtheria.

[Mr. La Course is personally known to me as a reliable man, and the story of his suffering and cure is well-known to the citizens of this community to be true.—Editor.]

An Eminent New York Chemist and Scientist Makes a Free Offer to Our Readers.

The distinguished New York chemist, T. A. Slocum, demonstrating his discovery of a reliable and absolute cure for Consumption (Pulmonary Tuberculosis) and all bronchial, throat lung and chest diseases, suborned coughs, catarrhal affections, general decline and weakness, loss of flesh, and all conditions of wasting away, will send THREE FREE BOTTLES (all different) of his New Discoveries to any afflicted reader of the HATCHET writing for them. His "New Scientific Treatment" has cured thousands permanently by its timely use, and he considers it a simple professional duty to suffering humanity to donate a trial of his infallible cure.

His assertion that lung troubles and consumption are curable in any climate is proven by "heartfelt letters of gratitude," sent in his American and European laboratories in thousands from those cured in all parts of the world.

Medical experts concede that bronchial, chest and lung troubles lead to Consumption, which, uninterrupted, means speedy and certain death.

Simply write to T. A. Slocum, M. C., 38 Pine street, New York; giving post-office and express address, and the free medicine will be promptly sent. Sufferers should take instant advantage of his generous proposition.
