and Development Company  
OF CHICAGO, ILLS.

Capital, Five Million Dollars

This company is the largest, strongest and best equipped transportation and merchandising company in the Alaska gold field.

Three large and commodious steamships will leave Seattle June 1st, and regularly thereafter, carrying both freight and passengers.

These steamers are especially fitted for the convenience of passengers and are capable of carrying 800 each.

Our passenger and freight service on the Yukon River will be the best. The handling of merchants' freight made a specialty. We are the only company that guarantees prompt delivery at Dawson City. We guarantee you a year's supply of food and a safe and speedy arrival.

### THE GOLD IS THERE.

You stand fully as much chance as any person. Do you want to be one of our first? If so, write at once, securing passage and berth.

The True Remedy.

W. M. Repine, editor Tiskilwa, Ill., "Chief," says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for Coughs, Colds, Whooping Coughs, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at the Millar pharmacy.
