The Sure Grippe Cure.

There is no one suffering from this dreadful malady, if you will only get the right remedy. You are having pain all through your body, your liver is out of order, have no appetite, no life or ambition, have a bad cold, in fact are completely used up. Electric Bitters is the only remedy that will give you prompt and sure relief. They act directly on your Liver, Stomach and Kidneys, tone up the whole system and make you feel like a new being. They are guaranteed to cure or price refunded. For Sale at J. A. Brisbane's Drug Store, only 50 cents a bottle.

Death of Judge Baber.

Judge G. H. Baber died at his home Monday forenoon of a heart difficulty from which he had been troubled for several months past. The funeral services were conducted by Rev. S. A. Starr at the family residence on Wednesday morning with an attendance notable for the number of older residents and pioneers gathered. The pall bearers were City Treasurer W. S. Hudson, Mr. Wm. Kane, Mayor David Smith, Mr. D. C. Stewart, Hon. Thomas Roe and Mr. John Caples.

Granville H. Baber was born in Virginia on the 14th day of February, 1817.

THE LATE JUDGE G. H. BABER

His father was a Virginian as was his father. Their ancestors settled in America in the early history of the country, coming from England. Mr. Baber's father married Miss Elizabeth Chawning, daughter of Mr. Aclis Chawning, also a Virginian and descended from the early settlers of the state. The father and four brothers of Mr. Baber served in the war of 1812, being stationed at Norfolk. Mr. Baber was reared and educated in West Virginia. He learned the carpenter's trade and continued to follow it, living at home, until of age. Like everything the judge undertook he did his work well and was rated skillful in his trade, continuing to work at it occasionally even after he settled in Forest Grove. About 1841 Mr. Baber went to Iowa and settled in Jefferson county on the 1st purchase made from the Lone Indians.

Two years later he married Miss Elizabeth Jane Knox, of Pennsylvania.

In '45, with his wife and her father and family, he crossed the plains for Oregon the fame of whose fertile soil was then attracting attention as the garden of the world. The party wintered at Oregon City and then went to Linn county where they were among the first settlers. Here Mr. Baber took a mile square of land adjoining his father-in-law's place at Knox Butte. With the exception of a short but fairly remunerative experience as a miner in California his time was occupied in farming in which he was successful financially and also twice took premiums for having the best conducted farm in Linn county. After twelve years' residence he removed to Albany and in 1883 came to Forest Grove, his home until his death.

Mrs. Baber died in 1874. They had no children. In 1875 Mr. Baber married Miss Wilhelmina Krouse, a native of Germany but who had come to Ohio when a child. They have two children, Liverne H. and Josephine.

In politics Mr. Baber was first a Whig and later a Republican. Though of Southern birth, when secession and disunion were rife, he stayed firmly a Union man. He was the first county judge of Linn county and for three years occupied the position with credit to himself and acceptably to the people.

For many months back the judge had been an invalid and latterly confined to his home. In the fullness of years at his home and among his family, until then

an unbroken number, he peacefully passed away on the first of August, 1898.

Weekly Crop Bulletin.

Very warm weather, with a cloudless sky, has prevailed during the week. Harvesting is progressing in all sections of the state. Fall-sown wheat is turning out as good as was expected, and the expectations were high. Harvesting of spring-sown wheat has commenced, and that which has been threshed shows excellent results. In sections of the Willamette Valley, a considerable portion of the oats has been cut for hay. Harvest-

ing of spring-sown grain will not be general for a week or more. The weather has not injured the grain crop, and some correspondents report the crop better than ever before; this applies to quality as well as quantity. Grain harvesting will continue for six weeks longer. In some localities of Eastern Oregon, there are reports of spring-sown grain shriveling to some extent; this condition is not general, and practically applies only to those sections where the raising of wheat is hazardous even under the most favorable circumstances. The hay crop is housed or is being baled. The second crop of alfalfa is being cut. The dry weather is not favorable for the second crop of clover, though so far it has not been injured. The wheat aphid which has been reported from the Willamette Valley counties, is disappearing under the influence of the clear, warm weather.

Peach plums are fully ripe, and large shipments to eastern points are being made. Early peaches are ripe and are being shipped. Water melons and blackberries are very plentiful. The apple and pear crops are making good growth and progress. The hop harvest has been checked by the warmth. The hops are making good growth; spraying is being pushed in all good yards. The current weather is beneficial to the growth and development of sugar beets. Vegetables are making a good growth. The potato crop promises to be very large. Corn is silking out and is much benefited by the warm weather.

There are no adverse conditions known or reported. The grain, hay, fruit and vegetable crops are, or promise to be, very large, and many crops now await only to be gathered.

Weather.—The mean temperature for the week averaged 73 degrees, which is 10 degrees higher than for the preceding week and 7 degrees higher than for the corresponding week of last year. The week ending August 23, 1897, the temperature averaged 78 degrees; this was one of the warmest weeks of which there is a record. The highest temperature during the week was 95 degrees, at Portland on Saturday, and from 100 degrees to 105 degrees in the southern counties on the same day. The light temperatures, minimum, ranged from 50 degrees to 64 degrees. No rain fell during the week. The winds were light and from the north.

MOUNTAINDALE.

Ice cream sociables seem to be the rage.

Mrs. Roberts' sister and her husband, of Portland, visited with her a few days. Nelson Cornelius is driving team for Mr. Carstens this summer.

Miss Ella Schlegel who has been staying with her sister in Marion county has returned home.

Sunday school is progressing finely under the superintendence of Mrs. Cummings.

Miss Vera Roberts has returned from Portland where she has been visiting friends and relatives.

The boys will have to hunt up their tin cans and cow bells for by the appearance of things there will be a wedding soon. That buggy does not go by here so often for nothing.

Quite a party of young people met at Mr. Smith's last Sunday and spent the afternoon very pleasantly together.

LAUREL.

Farmers are beginning to harvest. You can hear the binders running before breakfast of a morning.

The mail at Laurel now leaves at 9 a. m. and arrives at 3 p. m.

Mr. O. Hill's family are moving back on their place.

Mr. Carlson and family are out from Portland on their farm.

Mrs. McFee is spending a week in Portland.

Mr. Henry Matthews, who went to Eastern Oregon to work has returned and reports that there are 20 hands to every job of work and low wages also.

Miss Wheeler has been spending a few weeks with Mr. Hinck's.

Messrs. Jim Ferand and Fimis Brown went on a fishing excursion last week but their success has not been reported.

Rev. L. M. Boozer filled his usual appointment last Sunday after several weeks of absence, bringing back with him a wife. We all wish them a long and happy life.

Died.—Near Laurel, Mrs. R. Robinson Sunday morning at 4 o'clock, age 42 years. She was a member of the Baptist church for 20 years, was an earnest worker in the church and Sunday school. She leaves a husband and many friends to mourn her loss for she will be greatly missed as a friend and Sunday school teacher.

In Memoriam.

(To Mrs. R. Robinson.)

Dearest teacher, thou hast left us
And thy loss we deeply feel.
Lonely seems the way before us
Even while in prayer we kneel.

Yet the life of faith has left us
Rays of light from yonder shore
Where again we hope to greet thee,
Where all parting scenes are o'er.

Could we see the heavenly mansion,
Where thy happy spirit reigns,
We should rather pray to hasten,
From a world of care and pain.

Though our earthly home is lonely
Since thy voice no more we hear,
Yet our heavenly home is dearer
Since our teacher entered there.

Oh how sweet to mortals given
Is the hope when life is o'er,
Once again with joy to greet thee
And the loved ones gone before.

This best hope is now our anchor
So we'll wipe our weeping eyes
And press on with faith and courage
Till we meet you in the skies. N. S.

FIR.

August 1, 1898.—As we have seen nothing from our little hamlet of late in your paper we thought you might perhaps have room for us to tell the readers of the HATCHET that we have a thermometer at Fir that stands at 100 deg. from 2 p. m. until 6 o'clock in the shade and 130 in the sun. For the past five days we have had just such hot weather and we would like to hear from other places. What must it be in Cuba? Our hearts ache for the poor men who have gone to fight for freedom in that hot climate.

Messrs. Russe and Ben Collins Jr., are working in the Hiatt sawmill at the old Willamette dam.

Geo. Roos came up from Portland on his wheel a week ago to visit his father on Gales creek.

Mrs. Caroline Roos is up on her homestead on Gales creek.

Ed. Roos made a flying trip on Sunday on his bike; made his father a short visit and returned the same day.

Mr. and Mrs. S. W. Iler Jr. moved to Forest Grove Aug. 1st. Mr. Iler seems rather proud of his boy baby. We understand Put is going in with Dr. Hiatt in the molar extracting.

Mrs. Aden Harper and four children returned to their home at Tillamook on the 31st. They had been visiting Mrs. Harper's parents at Fir for the past eight weeks.

Mr. Glass and son Harvey of Dilley and Mr. and Mrs. Ben Collins were Sunday visitors at Mr. Chas. Bateman's.

Mr. and Mrs. A. B. Williams visited at Forest Grove on the 30th.

Mrs. A. B. Phelps and Mrs. Sargent were Sunday callers at S. S. Bateman's on the 31st.

Mr. and Mrs. Brokelsburg, of Portland, are raticating for a week or so on Gales creek where they can pick berries and fish in the shade.

Mr. and Mrs. John Gault, of the Independent, were Sunday visitors, on their wheels, from Hillsboro, at their uncle and aunt's, Mr. and Mrs. Heisler.

Both Comfort and Speed.

The business man compelled to travel at this season of the year, as well as the tourist traveling for pleasure, demands comfort as well as rapid transit. The Rio Grande Western and its connections furnishes both. From the Pacific Northwest, passengers are landed in Chicago in three days and a half, and in New York in less than five days. Furthermore, the passenger is given his choice of three routes through Colorado, and four east thereof. Tickets are sold via Sioux City Omaha and Kansas City, St. Louis or Chicago. From the time the passenger leaves Salt Lake City until he reaches Denver, there is one everchanging panorama of the beauties of nature, whether the Rockies are crossed by the Tennessee, Hagerman or Marshall Passes. Those who desire it, are given, without extra cost, a day's stopover in Salt Lake City, affording an opportunity of seeing the beauties of the Mormon capital, and also ensuring a daylight ride through Colorado, justly termed, because of its scenery, "The Switzerland of America".

Via the Rio Grande Western rates are always the lowest and accommodations the best. Through tourist and chair cars, as well as Standard Pullmans, upon all trains.

For descriptive pamphlets of the famous mountain scenery, rates, reservations and other information, address, J. D. Mansfield, Gen'l Agent, Rio Grande Western Railway, 142 Third Street, Portland, Oregon.

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at J. A. Brisbane's Drug Store. Large bottles 50 cents and \$1.00.

Robbed The Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50 cts per bottle at J. A. Brisbane's Drug Store.

An Enterprising Druggist.

There are few men more wide awake and enterprising than J. A. Brisbane, who spares no pains to secure the best of everything in his line for his many customers. He now has the valuable agency for Dr. King's New Discovery for Consumption, Coughs and Colds. This is the wonderful remedy that is producing such a furor all over the country by its many startling cures. It absolutely cures Asthma, Bronchitis, Hoarseness and all affections of the Throat, Chest and Lungs. Call at above drug store and get a trial bottle free or a regular size for 50 cents and \$1.00. Guaranteed to cure or price refunded.
