The Oregon State Fair will be held at the Fair Grounds, September 14 to 19.

The Southern Pacific Company will sell tickets to Fair Grounds and return at one and one-third fare from all points on its Oregon lines.

Special exhibit of fine cattle and horses and agricultural products have been prepared, and every effort will be put forth to make this the greatest fair in the history of Oregon.

If you are interested in the development of the state (and of course you are) you cannot afford to miss the fair this year.

For this occasion the Southern Pacific Company will sell tickets to Portland and return, including coupon

ONE OF THE BIG HOP FIELDS—IMBRIE'S, ON THE TUALATIN PLAINS

On its 900 acres about a million pounds of hops are produced and this year \$10,000 will be paid for picking the hops of the county, while many will go into Yamhill county and bring back half as much more. This \$15,000 goes where it does the most good and circulates the fastest, for if there is a nimble dollar it is the one earned hopping—it goes into everybody's hands and benefits the whole community as well as the men, women and children who find in the yards a pleasant outing. Of course the hop grower whose crop this year represents about \$200,000, lets loose money too, but no other part of it brightens business so much as the picking money.

of admission at rate of \$1.70 from Forest Grove. Sale dates September 15, 18, 22 and 25. Tickets sold at stations south of Fair Grounds will allow stopovers at that point, enabling holders to visit the Oregon State Fair.

The Exposition will be held on Multnomah Club Grounds and adjacent streets, and in addition to exhibits by merchants and manufacturers, Jabour's Circus with its many attractions has been secured.

A special feature will be the grand spectacular ballet, "When Knighthood Was in Flower," by sixty trained dancers in gorgeous costumes, prepared for the occasion.

**CITY COUNCIL MEETING.**

City Council at its regular meeting Tuesday evening had Councilman Wirtz as the only absentee. Treasurer Hoge's report showed \$1,235.67 on hand, \$1,711.94 having been received of ex-Treasurer Hudson, \$186.12 from lights, \$192.38 water, \$17.16 supplies sold, and \$881.93 paid out on warrants, including \$500 interest-bearing warrant taken up. Applications for light of Messrs. Mills, Miller and J. L. Austin were granted, and \$139.79 of bills ordered paid: W. H. Lyda, lumber, \$72.32; H. T. Buxton, wood, \$4.80; John Stribich, labor, \$1; Frank A. Kuehn, labor, \$1.25; P. W. Cronin, marshal, \$12; J. C. Clark, recorder, \$5.95; Portland General Electric Co., supplies, \$13.17; Walter Hoge, treasurer, \$16.55; Washington County News, official publications, \$9; Wells Fargo, express, 80c; The Bazar, supplies, \$3.95.

Petition for sidewalk on Greenville road was ignored, as council thought all parties were willing to build if only some one would start in. Ordinance ordered drawn forbidding bicycle riding on sidewalks in front of the hotel blocks.

The marshal, in answer to request for instructions, was ordered to enforce strictly regulations governing use of water and light. Mr. Butler's request for price on engine now lying idle in power house was refused, as council consider the property worth keeping in case it should be necessary to resume lighting the city at any time. Councilman J. S. Buxton called attention to simple forms for requiring sidewalk repairs in use in Corvallis, and similar ones will probably be adopted here.

Now is the time to repair your roof. The Creoline Shingle Stain is the best and cheapest—at Hick's store.

WHERE THE GRAIN AND HOPS GO—PORTLAND HARBOR.

The two branches of the Southern Pacific and six good wagon roads carry the results of Washington county's harvest and hopping to near-by Portland, farthest inland of the world's seaports, whence shipping under almost every flag transfers it to Europe where it finds ready sale. So Liverpool and not Chicago furnishes Oregon's market.
