**Rose Show**

The Rose Committee are planning for another Rose Show to be given in Forest Grove, the latter part of May or the first of June, as the roses themselves may decide.

The following prizes will be awarded: For the best display of roses, 3 prizes, \$1.00, 50 and 25 cents. For the best 5 varieties of roses, not less than 3 of a kind to be entered, 3 prizes, 75, 50 and 25 cents. For the best single rose, not less than 3 of only one variety to be entered, 3 prizes, 75, 50 and 25 cents. For the best display of cut flowers of all kinds, 3 prizes, \$1.00, 50 and 25 cents. For the best display of cut flowers grown by children under 15 years of age, 3 prizes, 75, 50 and 25 cents.

For the best collection of native ferns potted by children under 15 years of age, 3 prizes, 50, 25 and 15 cents.

Although the prizes are limited chiefly to roses, the committee will be very glad to have cut flowers of all kinds and potted plants brought for display.

It is the intention to have a more general flower and fruit show some time in the autumn.

It is hoped that all who have roses in Forest Grove and anywhere in the neighboring country will begin to plan at once to enter for these prizes and help to make this show better than the one so successfully given last September.

The committee plan to serve light refreshments at this show.

The prizes awarded will not be received back by the committee.

The exact time and the place will be announced later.

**Training Table**

The training table will be started at the Colonial hotel, for the benefit of the track team, Thursday morning. The bus will run three times a day to take the men to and from the hotel.

**Seghers**

Mrs. Owine and daughter, of Portland, have been spending a week with Mr. and Mrs. George Beal Jr. and enjoyed the country so well they expect to stay another week.

Mr. and Mrs. Hagerty, of Missouri-ville, were welcome guests of Mr. A. Roth over Sunday.

Father Burri was a very busy man last week. He conducted three funerals, solemnized five marriages, one baptism, and visited several missions.

Mrs. Frank Van Domelsen has returned from a visit to her parents.

The Southern Pacific is sending away all of its wood which has been corded up at this place.

Mrs. Mabel Beal is reported quite ill with fever and other complications.

The brother of Joseph Riefenroth has established a hotel with a bar, in Portland near the World's Fair Grounds.

**Back From Cuba**

O. M. Galloway, well known in and about Forest Grove, returned Friday from Cuba and a trip through the eastern states. Mr. Galloway has property in the Colony of La Gloria, Cuba and was there investigating the conditions of the country with the expectations of locating there.

He found a healthful and pleasant climate, the soil extremely productive, and the resources abundant—with many desirable advantages for a country practically undeveloped. But the existing conditions—the mixed races in the settlements, the lack of educational advantages are such that it is not a desirable place for the home-seeker with a family. There is a great immigration from the United States to the island and within a few years will be densely populated by a progressive and educated people. Mr. Galloway is a splendid observer and while there learned many of the peculiar traits and characteristics of these Cubans. Also much about the facilities which are indeed interesting, but he believes that Oregon is yet in the lead for a home and will remain here.
