Will H. Thompson, the poet of Seattle, who lectured at Eugene yesterday, and Dr. Henry E. Jones of Portland, both old friends of Capt. F. S. Barnes, are here to shoot with our expert bowman. Both gentlemen are archers of national fame and often come to Forest Grove to practice with Capt. Barnes, who is known all over the United States for his interest in archery and for his fine bows.

The dedication of the monument of Miss Anna Johnson will be held at the Gales Creek cemetery Sunday, May 29. The services will be between the hours of 2 and 3 in the afternoon and many friends and relatives will be in attendance. The class to which Miss Johnson belonged will attend and decorate her grave. Prof. Bates of Pacific University and Judge Hollis of Forest Grove will give short addresses. The memorial services have as yet not been entirely arranged for, and announcements will be made later.

Daly's Comedians opened a five nights engagement at Verts Hall last evening with a crowded house, in fact the largest audience that has been seen in the hall for many months. Their entertainment was first-class considering the small admittance charged at the door, and was clean and up-to-date. The lady impersonator is with out an exception the best that has visited our city, while the black face comedian kept the house in a continual uproar with his jokes and ready wit. Little Nita, as a song and dance artist has few equals.

**Found Dead in Bed**

Mrs. E. D. Thomas aged 74 years, an old and respected resident of Forest Grove, was found dead in bed last night by neighbors. She lived alone part of the time and during the school year she kept student roomers. Tuesday evening she visited the homes of Dr. Bishop and Mrs. Jane Smith, leaving the latter place about 8:30 to go to her own home. On Wednesday evening not having seen her during the day and their rooms not being cared for, the students became anxious for her welfare and went to a neighbor lady and informed her of the situation. An investigation was at once commenced and the room unlocked. Mrs. Thomas was found lying as if in a peaceful sleep. Dr. Large the coroner, and Dr. Bishop made an examination and found that she had probably died shortly after retiring Tuesday evening, and that heart failure was the cause of death.

Deceased was prominent in her young days and has been a lifelong member of the Congregational church and an active member of the W. C. T. U.

She was a graduate of Mount Holyoke college, of Massachusetts; was principle for some years of the Rockford Ladies' Seminary at Rockford, Ill. and some years ago came to the coast. She was a resident of Forest Grove for about 14 years and was always prominent in all the movements for the betterment of civic conditions.

Her husband died at this place six years ago. She leaves one son, Dwight Thomas who was formerly principle of our public schools and is now in the

Coos Bay country and is expected to arrive on the evening train.

Funeral will take place from the family residence at 5 o'clock this evening and the remains will be laid to rest in the Buxton cemetery.
