Coming Soon

Moving picture entertainment for benefit of the Christian Endeavor Society of the Christian church.

J. W. Cook will be in Forest Grove Friday and Saturday nights, June 3rd and 4th, and give two of his celebrated moving picture entertainments. Mr. Cook has an outfit costing several thousand dollars and gives each evening a two hour entertainment. He is assisted in this by Bert Richmond, who sings the illustrated songs.

The Copley train robbery and the great Iroquois Theater fire will be two of the most prominent reproductions. When the Copley train robbery was put on in Portland for a week's run recently it had to be repeated a second week in order to give people a chance to see it. The daily press called attention to the run it had, and spoke of it as being the most realistic exhibition of the kind ever witnessed. Mr. Cook has the sole right to reproduce this scene in Oregon.

To convince you of the first-class character of this entertainment we give the following quotation from the Brownsville Times.—Mr. J. W. Cook, the moving picture expert, who has exhibited in Brownsville on two former occasions, closed a two night's engagement at the opera house Saturday night. Mr. Cook is continually adding the latest creations in moving pictures to his extensive collection and thus is enabled to give the public the best there is going. His outfit represents several thousand dollars outlay and his collection so large that he is enabled to make two nights stand and still give two hours of splendid entertainment. As heretofore the people of Brownsville were well pleased

Local Option

We can only argue in favor of local option by making a comparison of prohibition with license territory. Take Kansas in 1881 with its population of 996,616 and 917 prisoners and now with its 1,470,495 population and only 788 prisoners and it shows an increase in population of nearly 50 per cent while crime has, comparing the number of inhabitants, decreased 65 per cent.

Five out of the 105 counties of Kansas where liquor is sold in violation of law and which have 17 per cent of the population of the state, furnish over 30 per cent of the crime of the state. This Local Option Bill, if it becomes a law does not make this a prohibition state but it is license still, and in the event that an election is had upon the question of prohibition in any county or subdivision thereof and fails to carry then the law remains as it now is, no more saloons only as established after a petition of two-thirds of the voters of a precinct have asked the county court to grant one.

Now it is only fair that this local option bill be supported by your vote, that if the majority of the voters of any precinct or county want no saloons they can legally have it so.

Special Council Meeting

A special meeting of the city council was held at the council chamber Tuesday evening and discussed various matters until a late hour. A commendable action was taken when it was decided to put in a public watering trough for thirsty stock and teams.

A committee composed of Councilmen Hughes and Harris were appointed to choose a favorable location for the same.

A committee was also appointed composed of Mayor Hoge and Councilman Hollinger to revise the water rates and report. This committee has some important work, as the water rates are easy to adjust in an inequitable manner for both the city and the community. However, we believe the committee will report a set of rates which will be what is needed.

The Pacific States Telephone and Telegraph franchise was returned to the company as not being satisfactory to the city.
