#### The Strong Barred?

Fox—The Japanese have a system of physical training called jiu jitsu which it is claimed enables the weak to master the strong.

Knox—Why, are the strong barred from learning it?—Chicago Record Herald.

#### So Sudden!

Impatient Young Man—Nellie, how is our romance—yours and mine—going to end?

Nellie (suddenly apprehensive)—Why, Geoffrey, you don't want to skip to the last chapter yet, do you?—Chicago Tribune.

#### No Substitute.

"Invention has made wonderful strides during the last hundred years," remarked the philosopher.

"Yes," said the wise guy, relighting his cigar, "and yet there is one thing I am reminded of just now which has not been invented."

"What is that?" asked the philosopher.

"Something to tell a woman when an iron is hot enough to use. She still wets her finger and lets it sizzle against the bottom before she goes to work."—Cincinnati Times-Star.

#### Dumb Luck.

"Ah," cried the first golfer gleefully after making a lucky stroke, "that was clever, eh?"

"Huh!" snorted his opponent disgustedly. "You carry an accident insurance policy, don't you?"

"Yes. Why?"

"You should collect it after that shot."—Philadelphia Press.

#### Some Snowflake Forms.

All of you boys and girls who have magnifying glasses, have you ever put a tiny speck of snow under your glass and studied the wonderful forms of the little flakes?

Do so the next time we have some snow. It is perfectly astonishing how many different and beautiful forms there are.

#### If You Live

In the Gales Creek Valley, call at the store of E. Jacobson, Gales City, for boots and shoes, harness and leather goods—goods for the farmer at a bargain.

#### East Gaston

R. D. Walker and the Shotwells took their wool to the Grove last week, Walker bringing home a new steel range stove and Shotwells a lot of new carpenter tools. They are at work building Mrs. Paget's new house.

Mrs. Hoffman is still very low and has been taken to Gaston to be near the doctor, as her condition is very critical.

T. J. King has purchased a new buggy.

Misses Gertie and Goldie Nichols, May and Freda Davis, and Mabel Shell were the guests of Rachael Peschen, Thursday afternoon. The same girls, including Miss Rachael Peschen and Mary Connolly were guests of Miss Edith Shogren. On both occasions lemonade and cake were served and a general good time was enjoyed by all.

Miss Gertie Nichols is taking music lessons of Mrs. E. J. Shotwell.

S. Shotwell and wife spent Sunday with Mr. and Mrs. Fred Porter at Gaston.

Geo. Hibbard and brother drove over from Silverton Sunday, and visited their niece Mrs. E. W. Paget. They continued their drive Tuesday for Harney county, where they will spend some time with the mountain and lake game there.
