As advertised the C. R. Brothers Co. with their Edison latest machine, the famous Passion Play of Oberamergan, scenes from the Russian-Japan war and a few other fake reproductions, made their appearance at the opera house last Friday night, to the intense disgust of their extremely small audience. Their late, popular illustrated songs, such as "Break the News to Mother," etc., were interesting in the extreme.

The Ball Game Sunday between Forest Grove and University Park, of Portland, proved a tame affair, the most uninteresting game of the season. The visiting team played nice, clean ball with but few errors while our home boys were outclassed at every turn, it being their day off. They were put to the bad in the first inning with three scores against them, thus losing all courage and interest. The losing of the game was largely due to the fact that the boys were turned down by Catcher Via at the last minutes, he refusing to catch the game unless paid for it. Fairchilds, of Cornelius, was put behind the bat but was unable to hold Drew. A new catcher will be placed before the next game and the boys will play as good ball as before. Via will more than likely hold down the bench the remainder of the season.
