## Tailor Made Clothing

We say Tailor Made, because our clothing is made just as good as any Tailor can make them. The inner coat is made with horse hair lining which makes it impossible to get out of shape, padded with wadding and quilted as a first-class tailor would do it. And when you get one of our coats on you can feel it fit to you like a tailor made garment. And knowing that you can get such clothes at Bailey's is what has built our Clothing trade to such proportions. Our Clothing is manufactured by Crouse & Brandigee (and fit guaranteed.)
